Rows of blue caps and gowns. A mass of excited Seniors. I am one — one of many. Four years of companionship and competition at Wyatt are coming to a close. I await my turn and as I wait, I remember . . .

I BEGAN THAT FIRST YEAR WITH INNOCENCE AND A FEELING OF INSECURITY, YET WITH HOPE AND DETERMINATION. MY INSIGNIFICANCE, HOWEVER, WAS EVER PRESENT. THE YEAR PASSED.

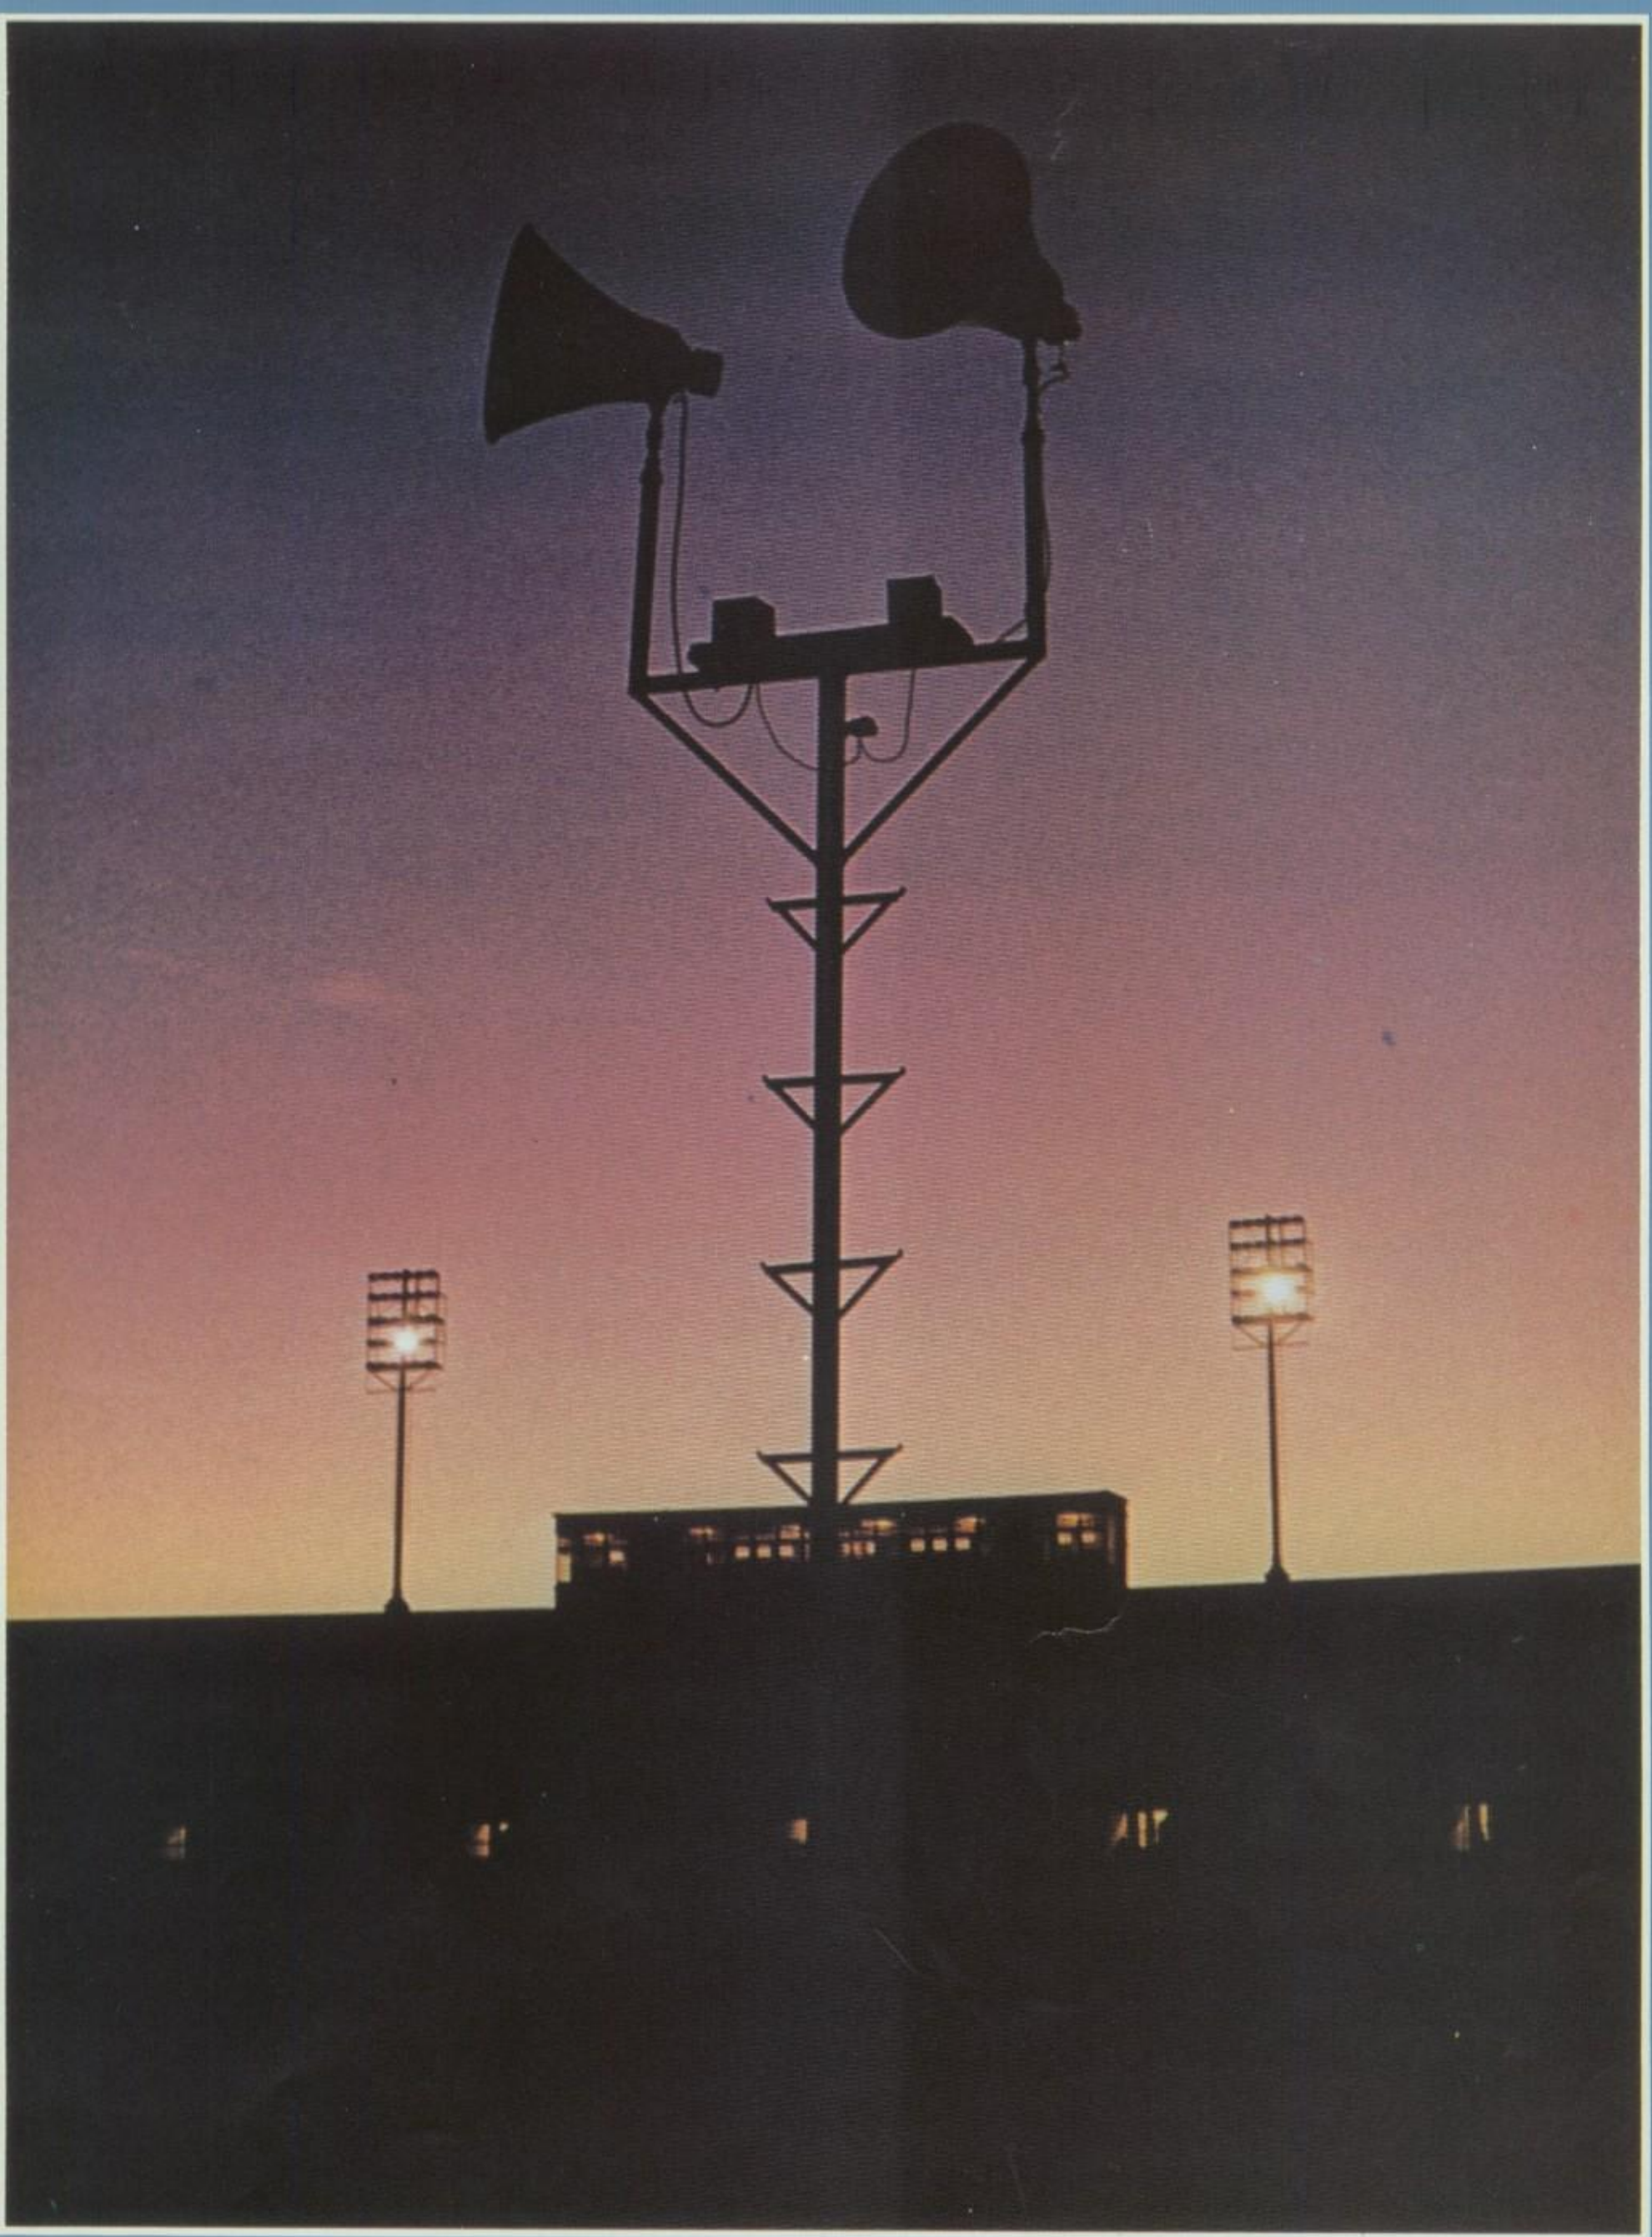

THAT SECOND YEAR WAS A BLUR.
FAMILIARITY MADE ME FEEL MORE AT
EASE.

I WAS AS THE MIDDLE CHILD, A PART,
BUT ALONE.

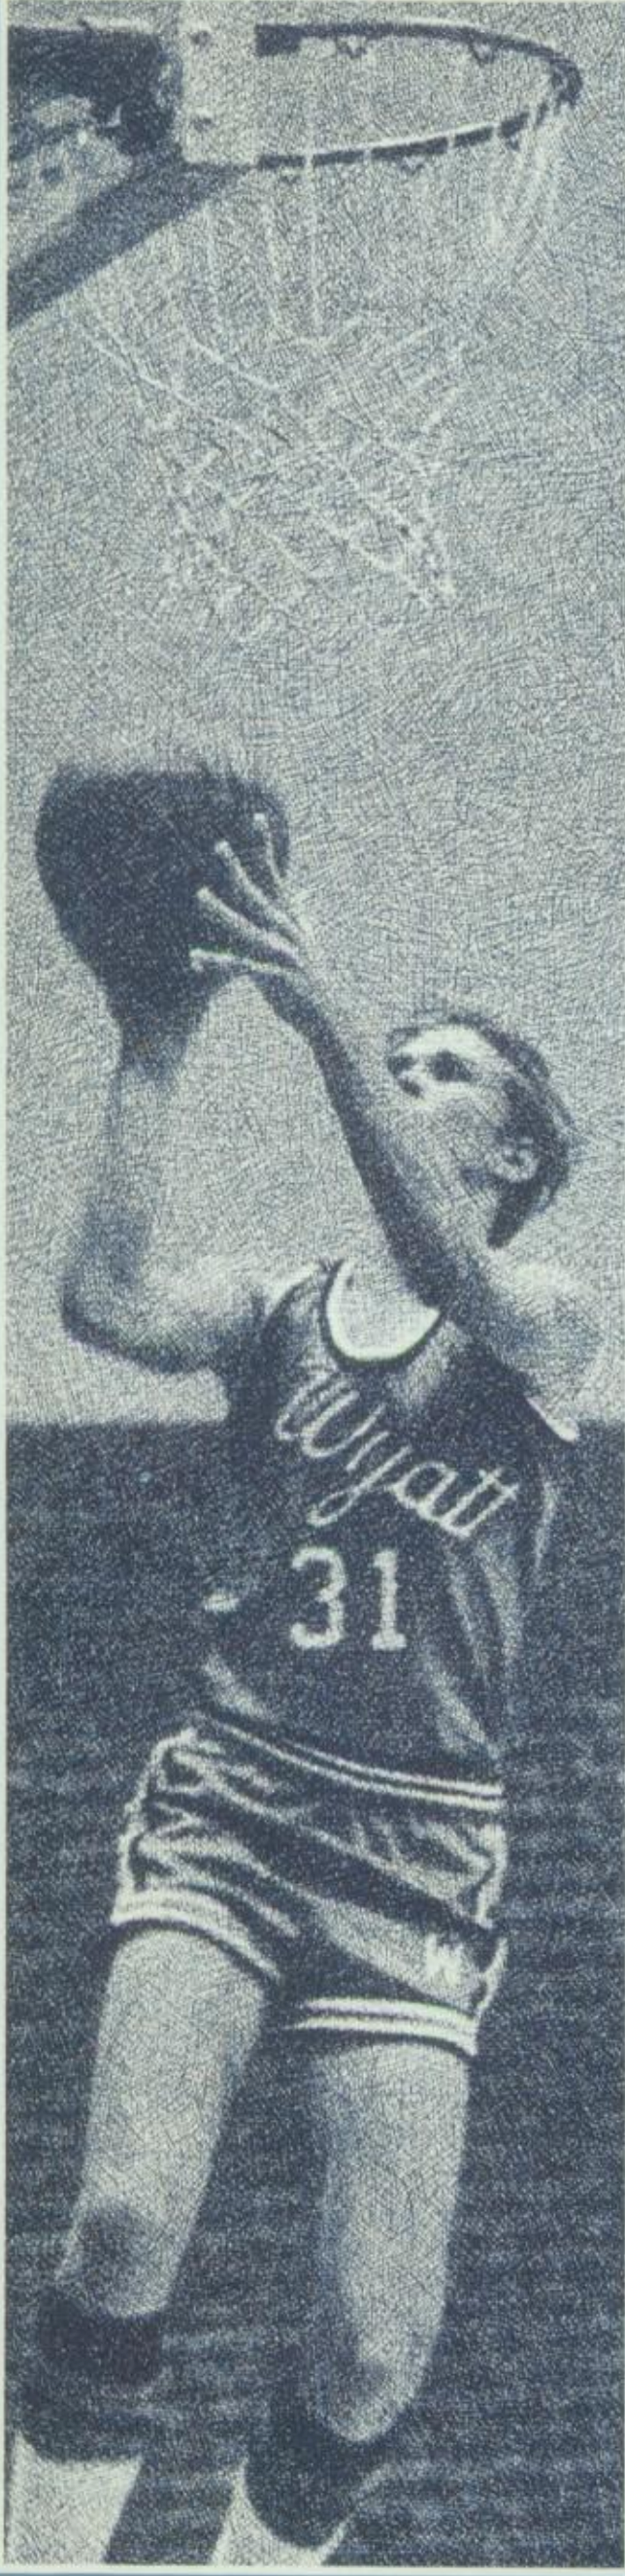

A FOLLOWER BUT NOT A LEADER.
I WAS ON MY WAY.

NEW RESPONSIBILITIES AND A NEW STATUS CAME WITH MY CLAIM TO BEING A JUNIOR.
I DOUBTED MUCH — I QUESTIONED ALL — THERE WAS MUCH TO LEARN.
A YEAR OF NEW EXPERIENCES AND RELATIONSHIPS MOLDED MY GOALS AND IDEALS AND
GAVE THEM PURPOSES.

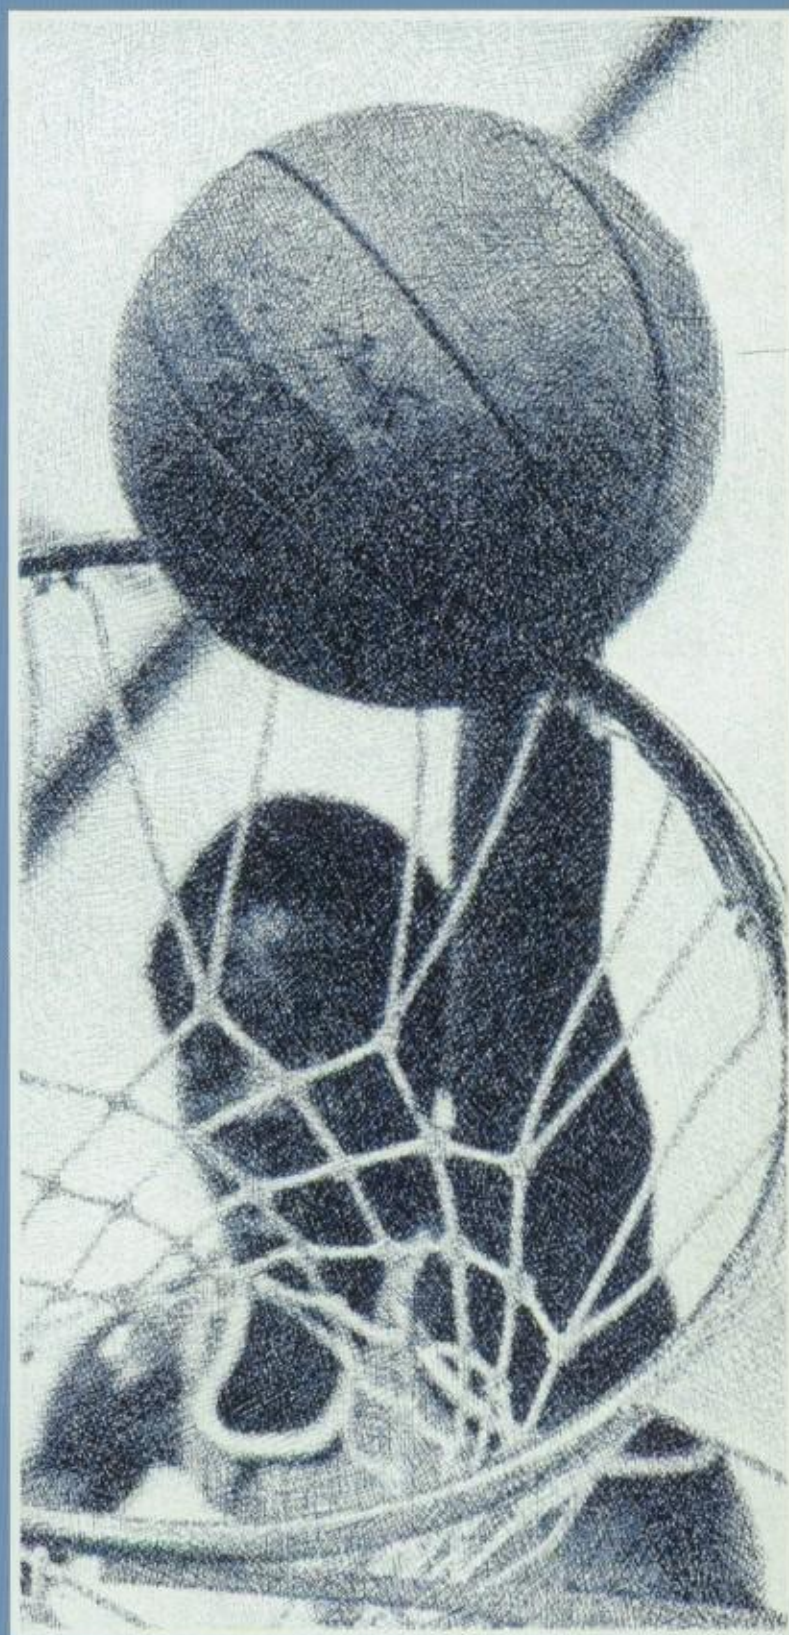

MY GOALS HAVE BECOME A REALITY — AND WITH THEIR REALIZATION COME NEW ONES —
LARGER, GREATER, DEEPER.

I hear my name; I rise, a handshake — and
I've done it. These years are over — they were happy, sad, exciting, and tense.
They were great!

I can never forget . . .

Aim On

Sharon,
your goal is high,
but you've nearly made
aim on, hold your head high
and be proud, but aim on,
elevation of superluness are the
corrects thoughts, I aim on. Remain
this way, only for the best of life,
and no less, but aim on. I believe
to reach an answer to all mankind
as have your beauty and person. But remember
you a winner with what you
you can be what Sharon
want to be, high.
and aim high.
Love yours

DEDICATION

During the past five years, O. D. Wyatt has influenced the lives of many people. Possibly the most affected by these years have been the Seniors of the class of 1973. This particular group of students was the first class to have attended Wyatt all four years. These students have matured along with Wyatt, both have developed academically, athletically and spiritually. They have much of which to be proud.

To O. D. Wyatt and the students who have grown with it, we dedicate this book.

— MARKHAM

8:45 A.M.

A ride, a walk, a run, an often futile attempt to beat that 8:40 bell. Circle, look, and then circle again . . . "No parking place in sight." It's out to Campus Drive to park on the curb . . . "I'll have to hike back to school."

1 "8:45! I'm on time." 2 Larry Johnson and Sherry Kinsey walk up the steps ready to start another day. 3 Not everyone is lucky enough to find a parking space due to the huge expansion project now in progress at Wyatt.

① Motorcycles huddled together in parking lot are preferred transportation to and from school for some of the Wyatt students. ② Typical Wyatt student is silhouetted against early morning sun as he waits for bell to call him to classes. ③ Students drive their cars to school in an effort to get there dry, calm, and on time.

9:40 A.M.

Lectures, notes, and a film . . . "I've got to stay awake!" Hard work and sometimes a little play on the sly . . . "May I go to my locker?" (I forgot my book). The bell rings . . . "Is the period over?"

① Study Hall is enjoyed by all including Bruce Erby and friends. ② Human Physiology students, Steve Ingram and Russell LeFan, gingerly dissect a fetal pig.

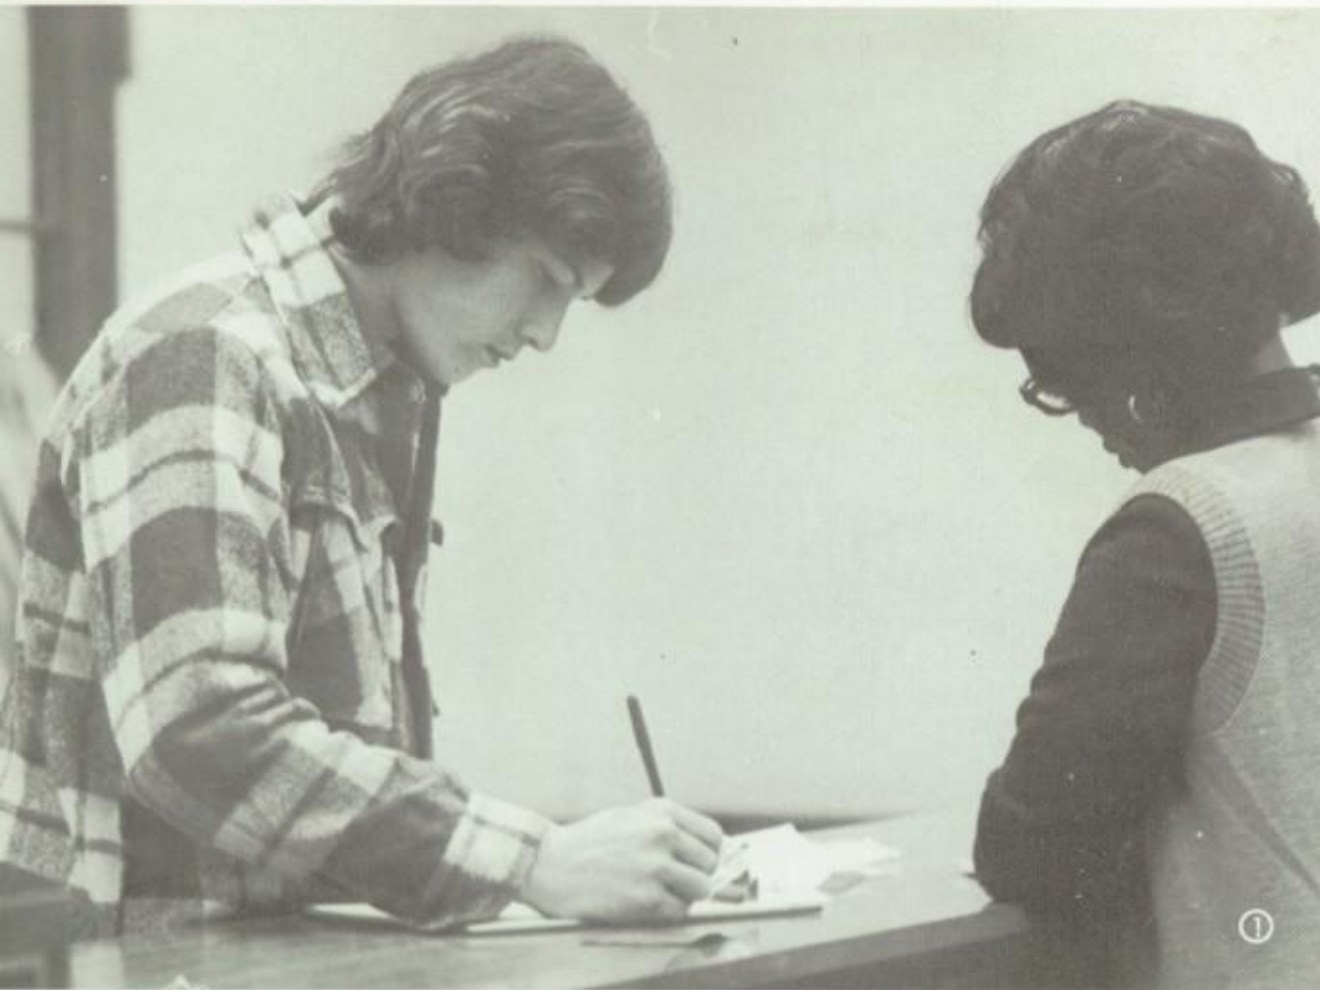

① Works of art such as the one done by Eugene Earlston are often seen in art class. ② Coordination and skill as demonstrated by Carla Harris are needed to perform on the balance beam. ③ Mark Glover decides that doing his math is a lot better than twiddling his thumbs for an hour.

10:35 A.M.

S-h-h-h — "Listen to the announcements!" "Don't forget the meeting after school." . . . "What meeting?" All the banking cards are on the counter . . . "Mine's gone Coach!" Please sign this sheet if you're tardy. "Only circle one name if you want your vote to count!" (Who are you voting for?) "Why me? . . . Why does Mr. Baker want to see me?"

① It never fails that Wyatt has announcements and today, like many, Amy Head, Monty Purdom and Lisa Barron are making them. ② What's it like having Homeroom in the cafeteria?

① Tardy again, Student signs in, in the attendance office with Mrs. Beverly Sanders looking on. ② Coach Wade Walker goes about his weekly routine of collecting the banking money in the office. ③ Discovering that it is too early in the morning to get excited about anything Patti Ingram sits down to collect her thoughts.

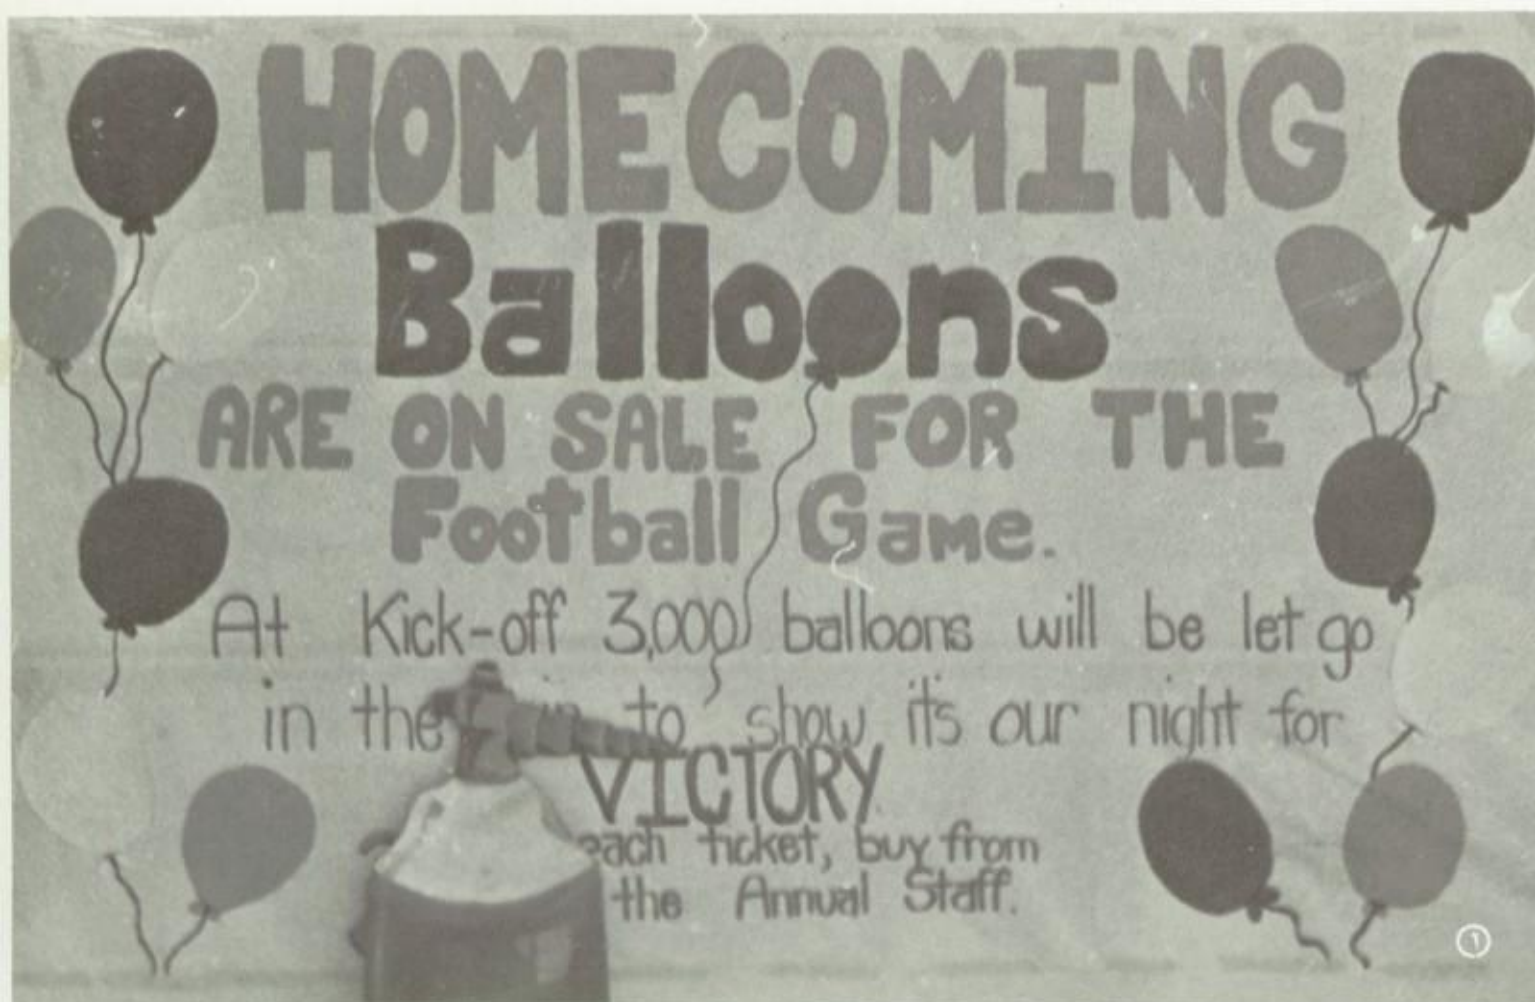

11:45 A.M.

"Ha! Ha! I've got first lunch." It's stew again. . . (I think!) No Cokes!! "Let's go to Good Luck!" "No, I don't want to buy a balloon — well, just one" . . . "Hurry, it's time for the assembly."

① Gary Bishop gobbles down what he has been told is a good well-balanced meal.!? ② An after lunch break is used by this group of boys for quick exchange of notes before the fast approaching bell.

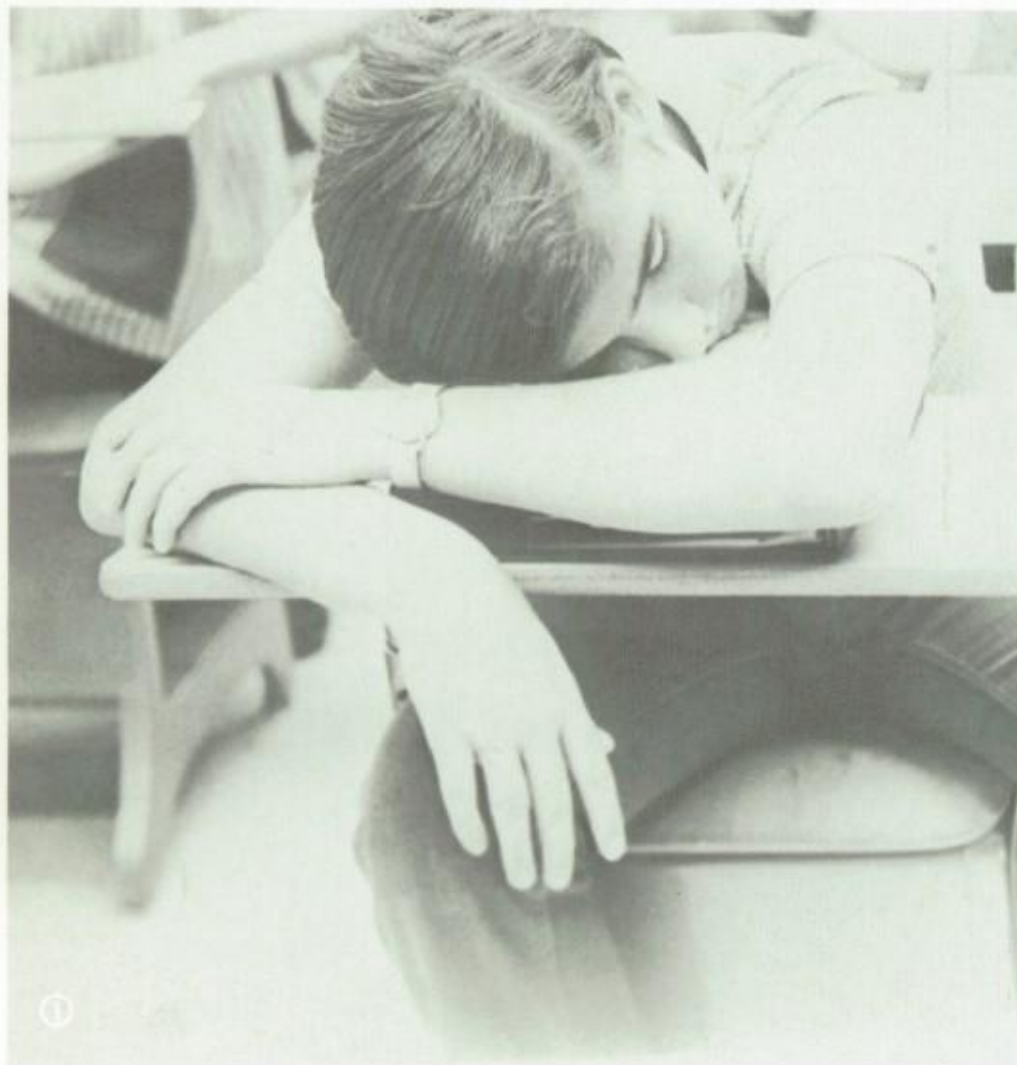

① This familiar sign is put up each year to advertise the selling of helium balloons by the Annual Staff for Homecoming. ② As common a thing as night and day, the Pepsi machine does not work. ③ Patty Runkle decides lunch is a good time to enjoy her friends and have a good laugh.

12:15 P.M.

Back to class . . . I'm so tired . . . Just a little after dinner nap . . . (I've got to figure this one out) . . . Field trip today?!

. . . but, "I forgot my note!" . . . "Boy, do I dread that walk to 0-98."

① Who is this taking a nap on someone else's time? ② A great deal of practice is necessary if you are to play well and Debra does just that! ③ Watching as pieces of stained glass are laid into place are members of the Honors Art Class during a field trip to W. D. Smith Stain Glass Studio.

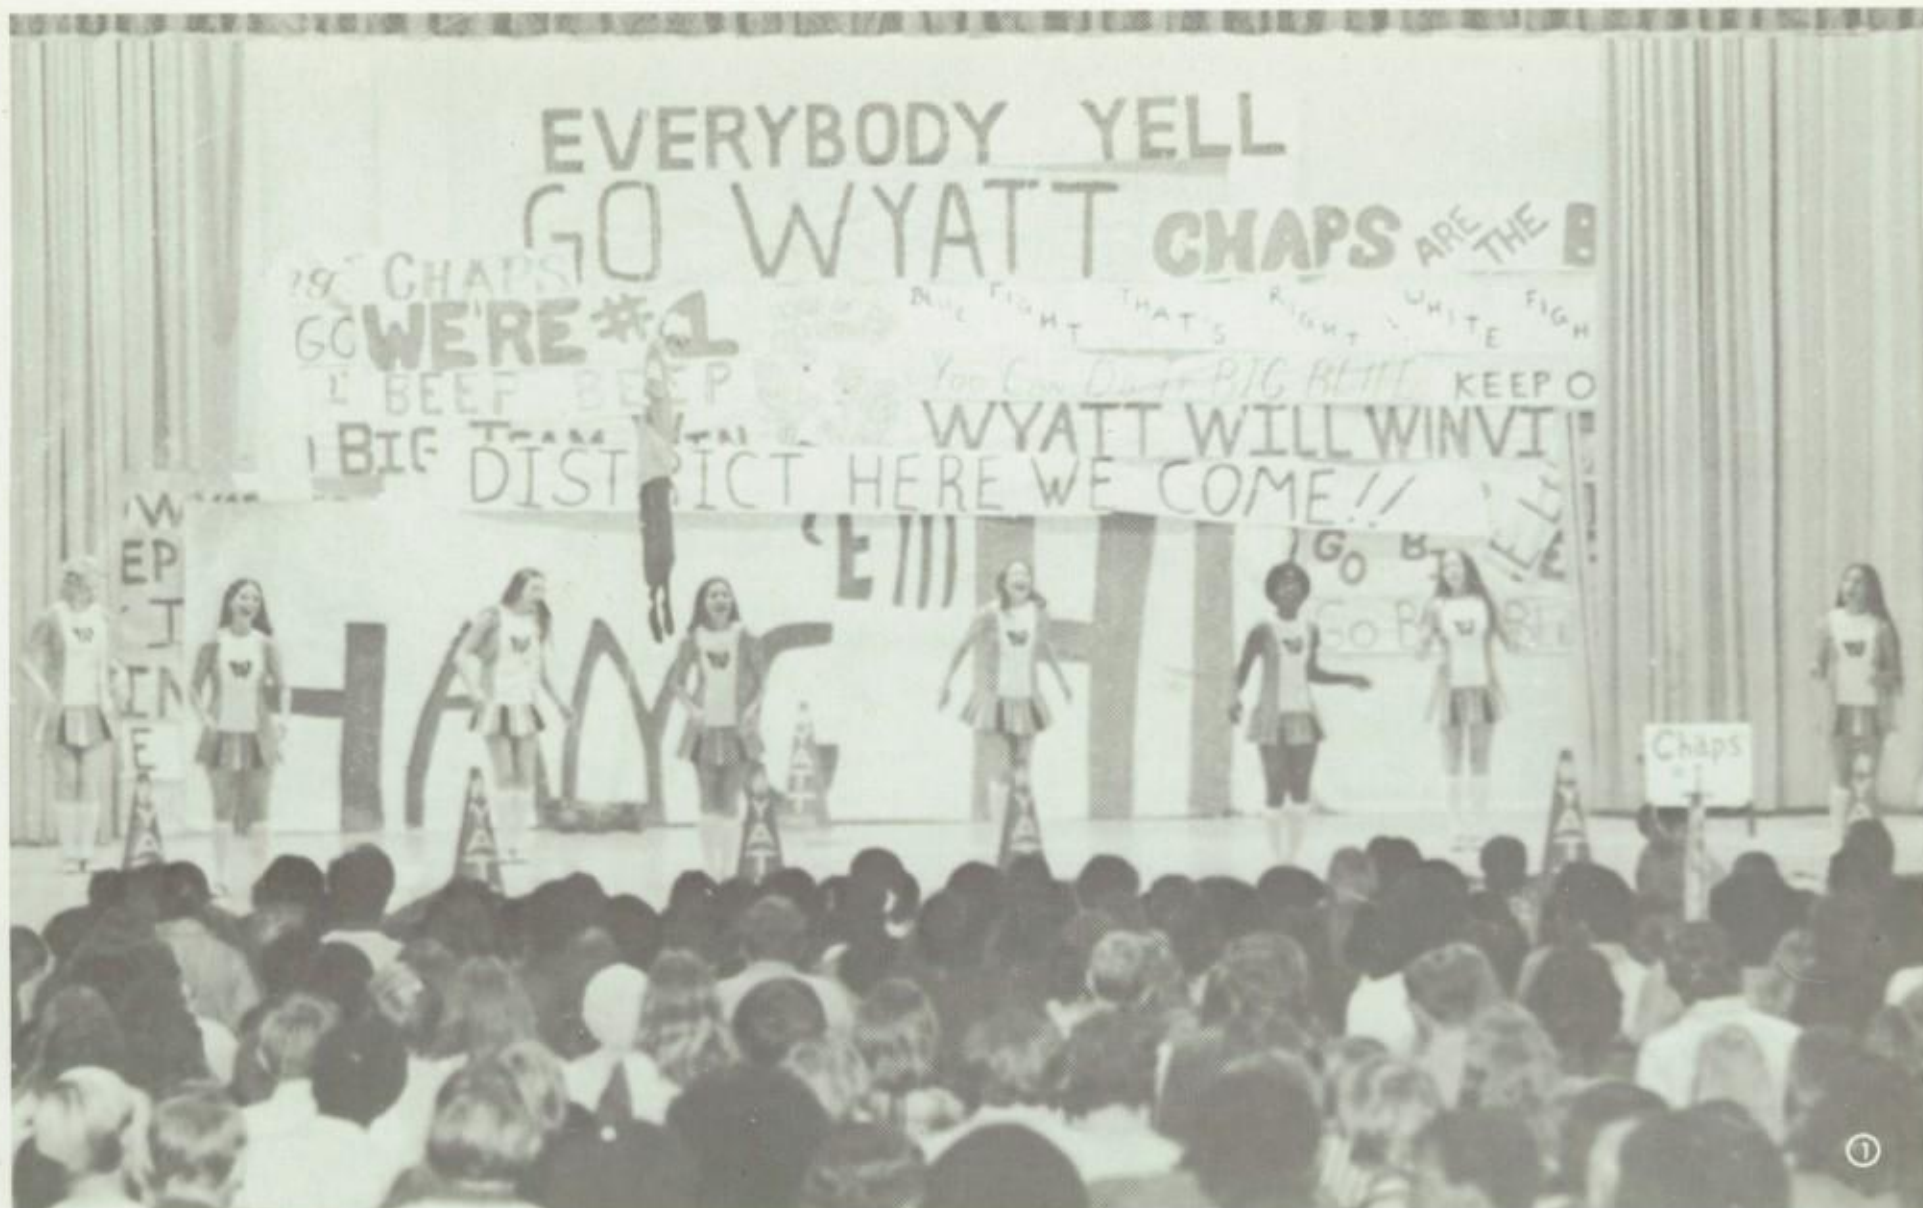

① "Neither rain, nor sleet, nor snow, nor dark of night . . ." Students trudge out to "splinter city." ② Renda St. Clair works hard on her current assignment trying for that "A." ③ Jim Schermbeck, Bryan Helbert, Paul Newman, Ken Brown, and Robert Wingate prepare to leave on one of the many excursions to Debate Competition.

1:10 P.M.

Time for the Assembly . . .
"Are you going?" . . . "Let's
hurry so we can get good seats!
. . . " A pep rally, a play,
what's it going to be today? . . .
"How was the program? . . . "
It was good!! . . . Our chorus
sings well and "the band gets
better all the time." . . .
"Wasn't the pep rally great!?"
. . . "What was that new
chant?" . . . Boom, Sha Boom
. . . " That skit was tremendous
. . . They are really talented!"

① The sounds of seasonal music ring through the auditorium as the Chorus joins with the Student Council in presenting a Thanksgiving program of music and poetry. ② The band waits anxiously for their cue to play during a pep rally. Their skills were greatly appreciated all year long.

① Pep rallies are an integral part of Wyatt and the cheerleaders put forth every ounce of their energy to lead Wyatt in support of its teams. ② Dick Opperman, alias Santa's elf, relaxes after hard day at toy shop. ③ "Being a statue isn't all it's built up to be," thinks Jack Hasley as he freezes under a coat of gray poster paint during Christmas program.

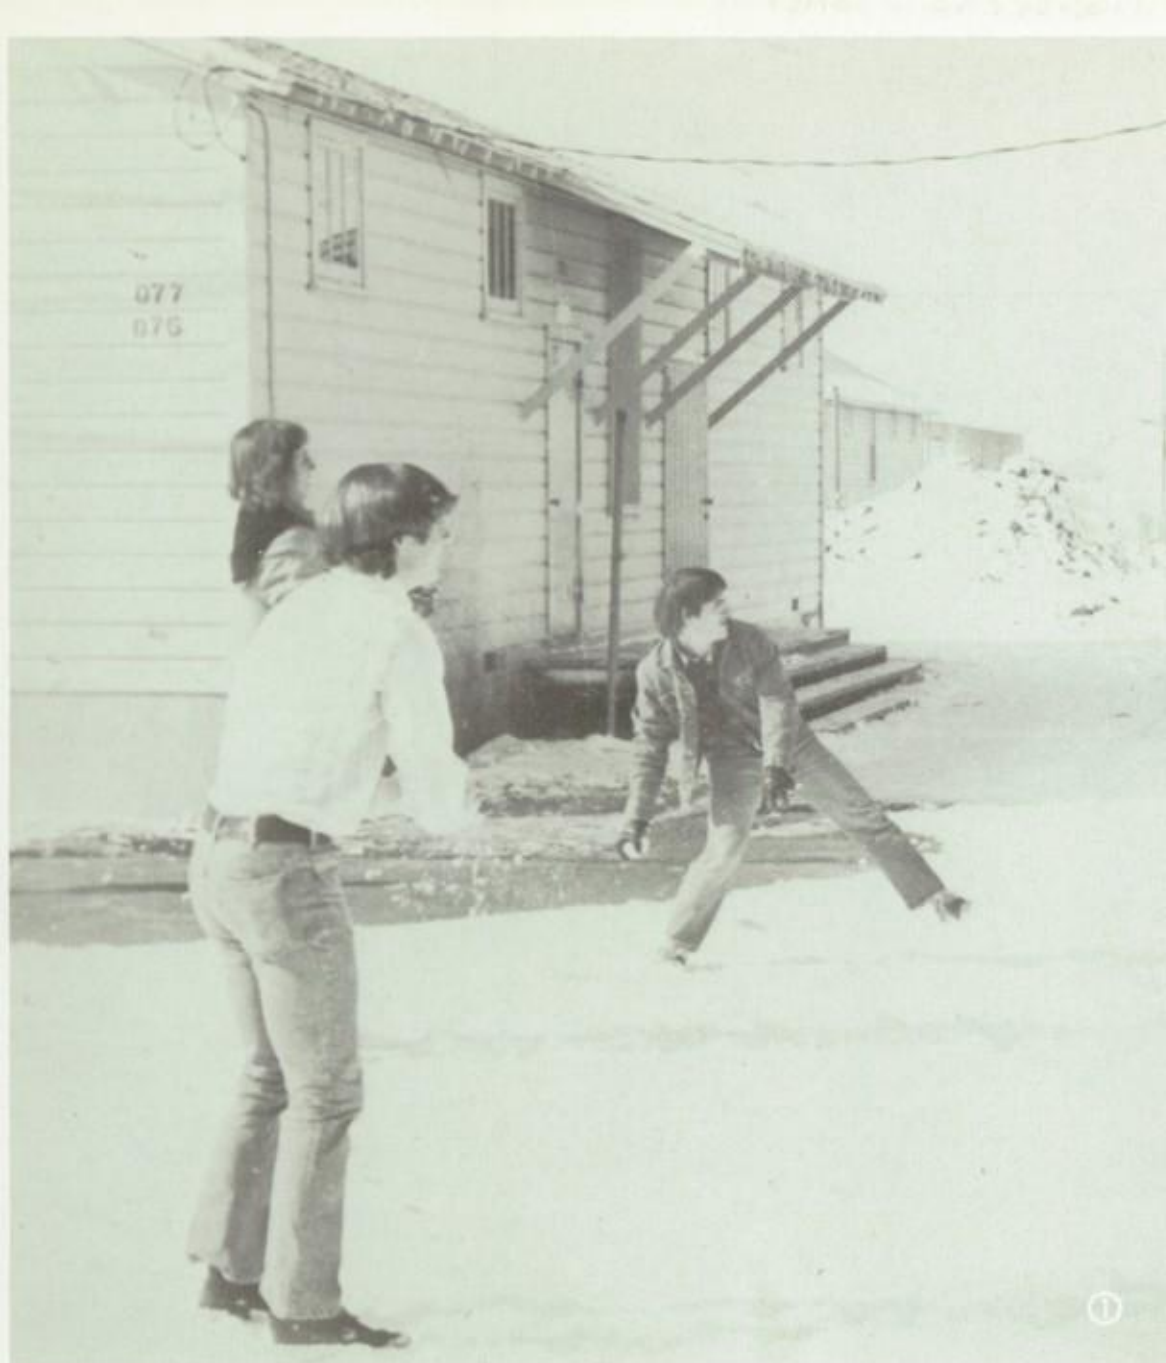

3:40 P.M.

School's out!!! "Do I have any homework?" . . . It was a long day . . . "How are you getting home?" . . . can I have a ride?"

① Robin Clark relaxes at the end of the day and anticipates the evening's activities. ② Paula Trantham and Nancy Peacock lead off the daily exodus of the Wyatt 2400 as the 3:40 bell rings.

① Bruce Erby, Kyle Still, and Steve Ingram happily take advantage of snow to take aim at fellow classmates and let fly a surely aimed snowball. ② It's not the accepted mode of transportation, but Sally Peacock gets a lift from Bud Parkman. ③ Putting the finishing touches on the Christmas tree are Robin Martin and others as David Mocio takes a short rest.

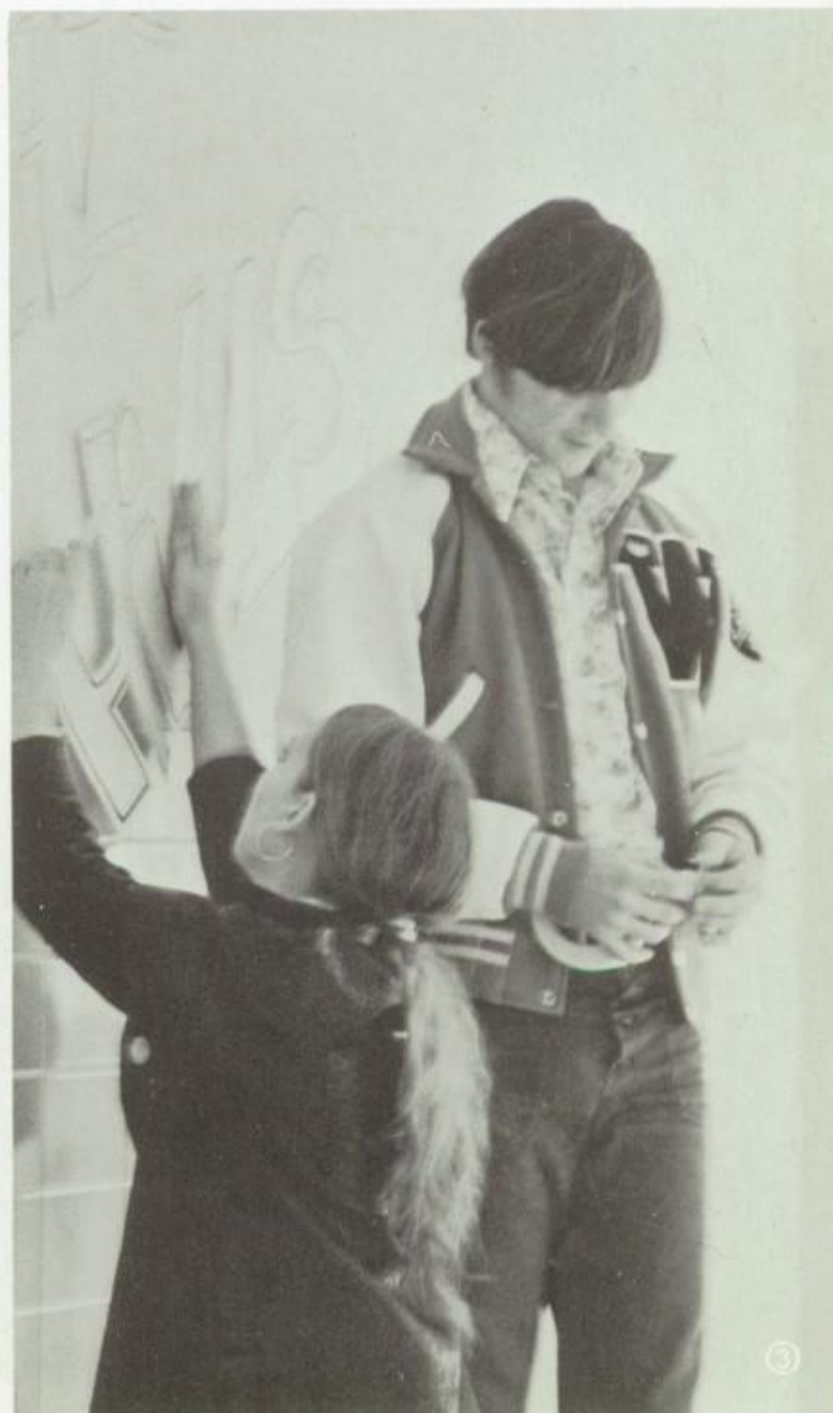

3:40 P.M.-12:00 A.M. ?!?

① Teresa Miller is overcome by happiness as she is presented as the 1972 Homecoming Queen during half-time festivities selected from a court which included Teresa Dunnagan, Joy Newsome, Sally Peacock, and Patsy Rodriguez. ② Hundreds of blue paper caps with names of Wyatt exes decorated the V.O.E. room which won the first prize in the annual contest held for best decorated hall or room for Homecoming. ③ Wyatt's fans clutch their helium filled balloons anxiously anticipating the kick off, officially beginning the 1972 Homecoming game.

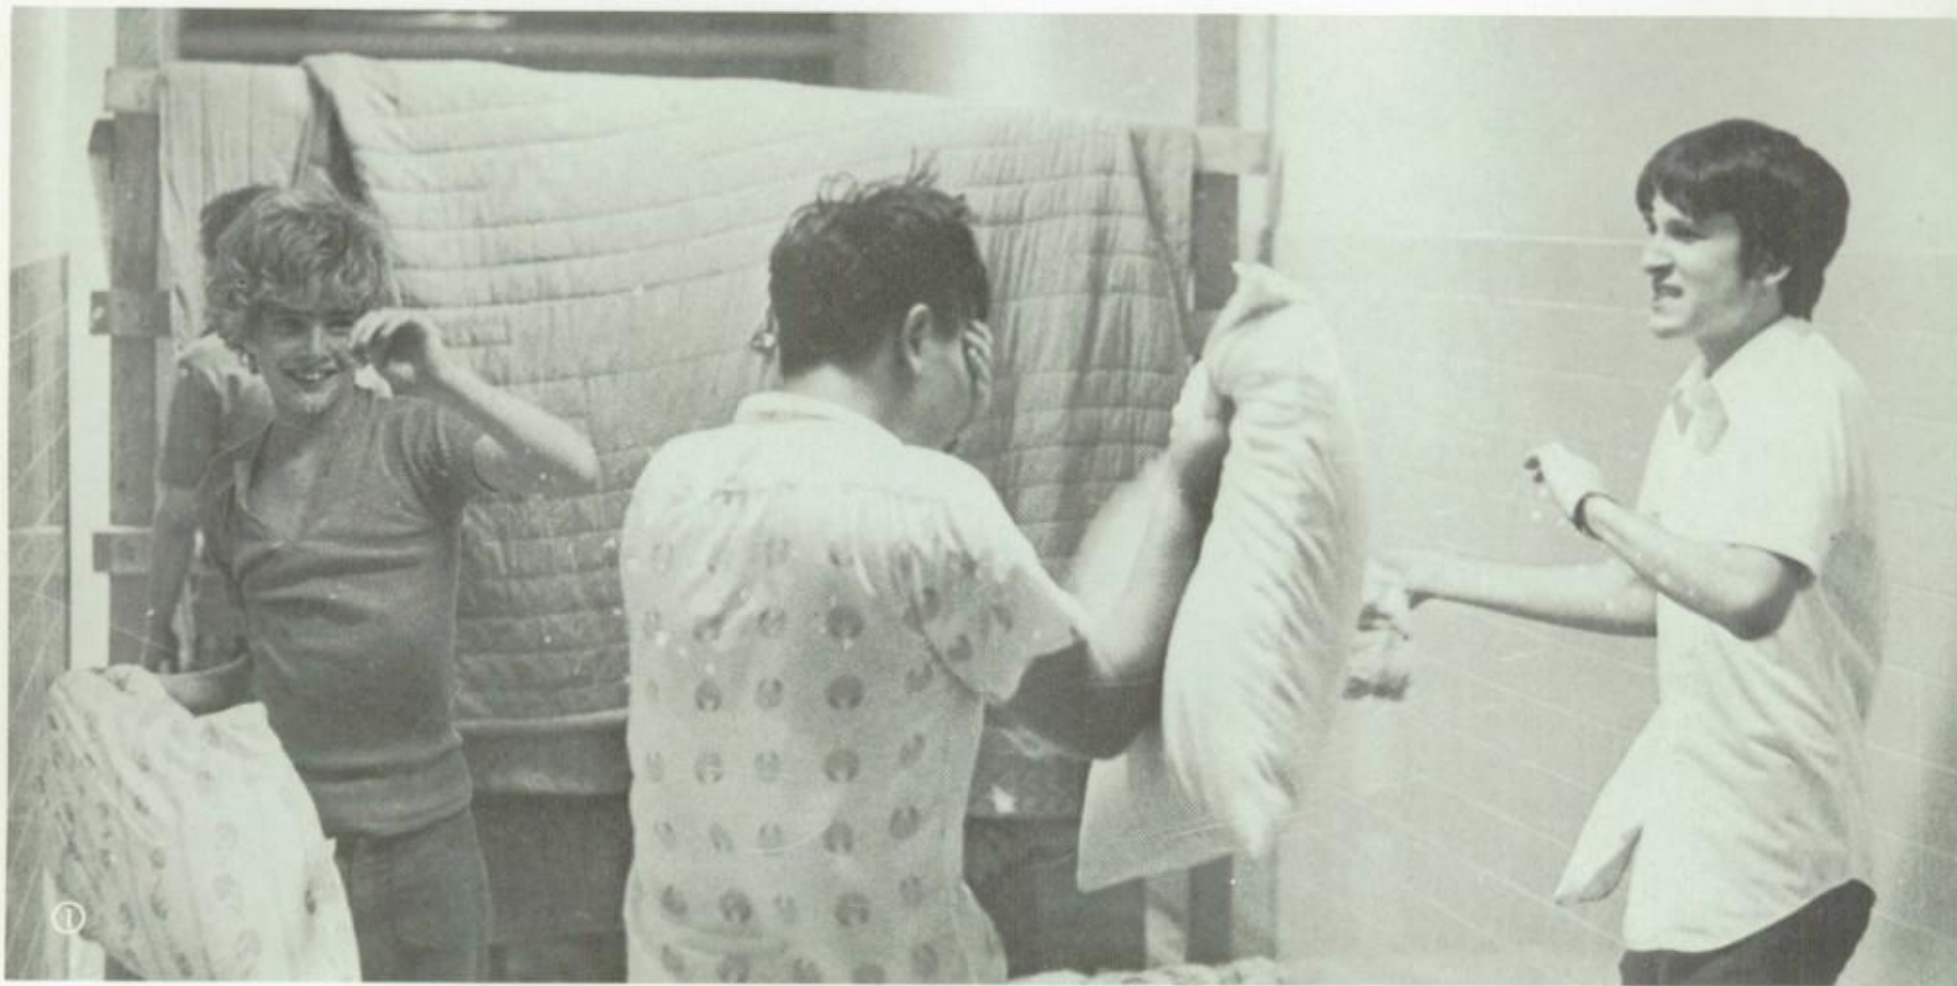

① For Homecoming, Student Council raises high above the school a sign with a familiar phrase, "Beat Hills."
 ② Part of the Homecoming festivities included nine foot letters proclaiming O. D. Wyatt as the "Home of the Chaparrals." ③ Art Club members, Sherrye Redwine and David Hatcher, work hard decorating "D" Hall for homecoming.

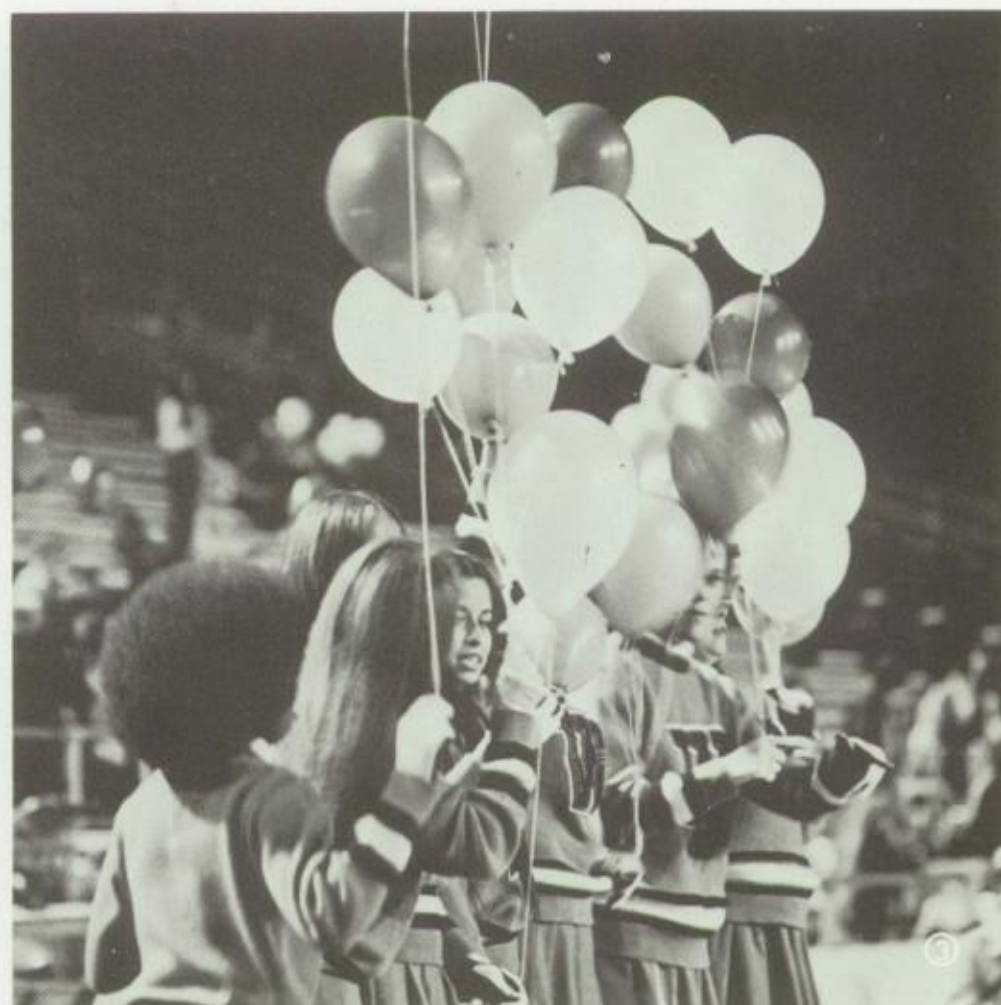

3:40 P.M.-12:00 A.M.?!

① Students enjoy rousing old-fashioned pillow fight at the Student Council sponsored Roadrunner Round-Up which kicked off the school year with style. ② Valerie Donley, Carol Purser and other Rodeo Club members are caught just "horsing around."

① Wyatt supporters clap, cheer and yell encouragement to Chaps as they head for another two points and victory. ② The Annual Staff, loaded down with 3,000 blue and white balloons, gladly accept help from Debbie Smith and others as they hurry to give out balloons before the kickoff whistle. ③ Cheerleaders join in tradition of letting off balloons at Homecoming kickoff to begin festivities.

3:40 P.M.-
12:00 A.M.

① Robert Wingate presents to Mr. Mandeville the trophy he won at the U. T. Austin Speech Tournament. ② Signing with relief and smiling at success, the track team and coaches relax after their success at the Coaches Indoor Track Meet held on February 16.

① The Varsity Football Team files off the stage after being recognized at the Wyatt vs. Poly pep rally. ② Robert Grimm looks anxiously at the coveted trophies that were to be awarded at the U. T. Austin Tournament. ③ After being awarded a spirit stick at SMU cheerleader school in Dallas the Varsity and B-Team Cheerleaders proudly pose wearing ribbons and clutching stick.

Mike Ellis

Bonnie and Mike

During their high school years Bonnie and Mike were active in many school activities and each maintained a B average and an E average in citizenship throughout high school. Bonnie served on the Student Council two years. The 1972-1973 Football Team selected her as their sweetheart for her untiring support of the team. An ideal student, Bonnie was well liked by the student body.

Club activities, sports events, and Student Council duties were only a part of Mike's interests at Wyatt. He served Wyatt in many unofficial capacities as well as president of the Senior Class. His friendliness and faith in Wyatt affected all those around him.

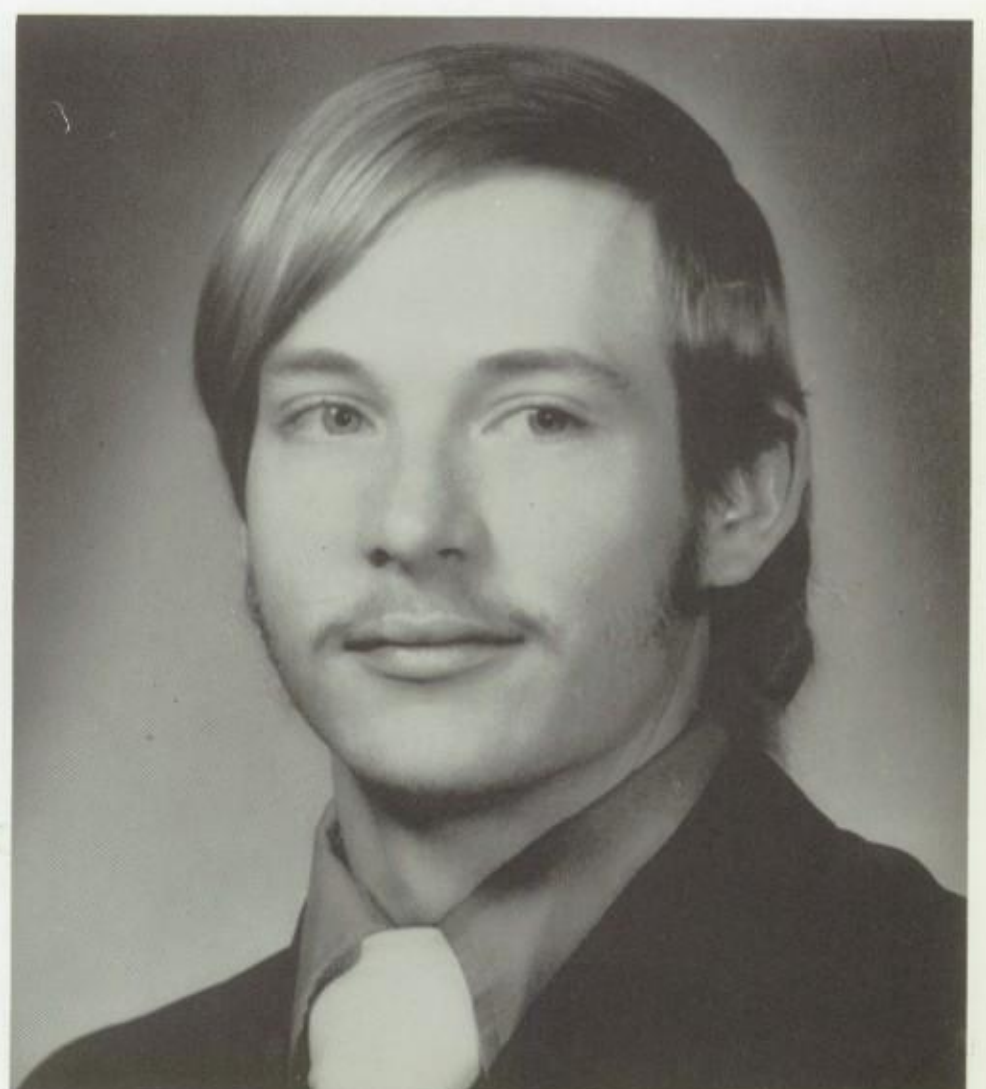

Mr. and Miss Wyatt Finalists

Susan Waters and Dick Opperman were the finalists in the Mr. and Miss Wyatt election. They possessed all of the qualifications necessary to become Mr. and Miss Wyatt. Susan was a great asset to Wyatt. Her ready smile and willing attitude made her a welcome addition to any group she was a part of.

Dick Opperman is a born leader. He was respected by his teachers as well as his classmates. He served as Student Body President during his senior year and his influence was felt in many areas of school life.

WHO'S WHO

The students chosen for this special award are excellent examples of the ideal Wyatt student. These twelve students were selected from a broad field of nominees by the Wyatt faculty. Such qualities as leadership, scholarship, enthusiasm, and a willingness to serve their school were carefully consid-

ered. Each student maintained a B average throughout high school and an E average in citizenship in addition to their active participation in Wyatt's many school sponsored activities.

Barbara Sisson

David Lowery

Barbara

Barbara Sisson is one of those special people who finds time to do everything and do it well. She puts forth 100% effort for everyone and everything. This enthusiasm earned her the title of Miss Wyatt Spirit.

She faithfully attended the majority of Wyatt's district athletic competition shouting her encouragement. As President of the pep club, Barbie made locker decorations for team members and posters for the pep rallies. Her ready smile and faith in Wyatt was appreciated not only by the cheerleaders who selected her but by the entire student body.

David

Leading out in support of Wyatt's teams, David Lowery showed his devotion to the school and faith in its teams by his untiring efforts in their behalf. He was always there to lend a hand at poster parties and in the auditorium when the posters were being put up.

His exuberant cheers and shouted encouragements to the athletes always came from the first row of spectators. This loyalty was greatly appreciated by the cheerleaders and the teams they backed.

Varsity Cheerleaders Give Spirit A Big Boost

The O. D. Wyatt Varsity Cheerleaders started the year off right by winning one of the spirit sticks at SMU cheerleader school. They lead out in poster parties, pep rallies, the Pretty Leg Contest, and other spirited functions. The girls' spirit never died throughout continuous pep rallies and perpetual sports events.

PEOPLE

During the 1969-1970 school year the Roadrunner Staff felt the need to recognize some of the unique people at Wyatt. These people were not to be exceptional scholars, but were to be especially willing to give of themselves to Wyatt and its growth and success. This is the only time the staff injects its opinion as they endeavor to remain neutral in all other phases of the yearbook. The people pictured here were selected by the staff as special "People" of the 1972-1973 school year.

“Paint it Blue?”

The Student Council is the government of the school. Problems and ideas are openly debated and fully expressed. The council serves as a bridge between the students and the faculty. The council is elected each year by their peers to represent every student of each grade. To form this bond of leadership fifty-four students were chosen: four officers, twenty seniors, fifteen juniors, eight sophomores, and seven freshmen.

The council sought to increase understanding and fraternity by providing entertainment and social activities on a regular basis. They sponsored the Roadrunner Round-Up which proved successful for the council and the participating clubs and immensely entertaining to all who attended. Another of their projects was the painting of the cafeteria. Many students spent a great many hours masking and painting the cafeteria Columbia Blue. They worked side by side in an atmosphere of determination and pride.

As a representative voice of the student body, the council worked to better the students' position. Without this voice the students would have no way of expressing their desires concerning change. Wyatt can be proud of this body of students who gave so much to making Wyatt not only a better place for the acquisition of knowledge but a place for becoming an active part of our society.

Mr. Vernon Denman

This year's band was under the direction of Mr. Vernon Denman. During his first year at Wyatt, the band showed improvement as a result of constant rehearsals and personal dedication of both students and director. Being a band member demands time and ability. The members practiced untiringly on their instruments and on their marching in order to perform with precision.

During the football season, their half time entertainment was always well worth watching. Nina Walker, the band's sweetheart, was presented with eight white mums and a kiss from Band President Dwight Denman during the last district game at the conclusion of a tremendous band performance.

In addition to halftime entertainment they attended several marching and concert contests. Representing Wyatt at the UIL Marching Contest in Birdville, they received a two rating, the best ever earned by a Wyatt band. They ended the marching season with their annual Band Banquet which was held during the Christmas holidays at Walter Jetton's.

The band members were among the most spirited people at Wyatt. The spirit and hard work of this group will not be forgotten, for music is an important part of the memories of our high school days.

"Let's take 'Grazin' from the top."

The O. D. Wyatt Stage Band was a group of musically talented students consisting of twenty-two performing members. They participated in many concerts and contests during the year. Performing for others to provide entertainment and enjoyment was one of their greatest satisfactions. They gave concerts at David K. Sellers Elementary and Wyatt. They constantly strove to become better musicians. The stage band

entered contests, where they received constructive criticism and awards for their music. Contests at Stephenville and Castleberry High Schools were attended. To express their support of the Chaps, they performed at basketball games. From the example of our stage band we saw that music was one of the expressions of man's creativity.

"This song must be in the key of Z!"

The choral department, realizing the necessity of expression in a person's life, tried to make music a very meaningful part of the life of any interested student at Wyatt. These students worked hard learning new techniques and developing

their voices. Their work has helped to enrich not only their lives but also the lives of the student and faculty members who heard them perform. Their devotion to the art of music was commendable.

"Would you like to buy a directory?"

THE 1972-73 OFFICERS FOR EN AMIE WERE: Sue McGregor, Pres.; Linda Fagan and Regina White, Pub.; Teresa Miller, Tele.; Vicki Hale, Ser.; Susan Waters, Treas.;

Bonnie Bailey, First V.-Pres.; Terry Stewart, Dev. and Photo.; Debbie Webb, Second V.-Pres.; Sue Williams, Ser. and Teresa Dunnagan, Tele.

En Amie, which means "among friends" in French is the girls' service club at Wyatt. Their activities and contributions to Wyatt were varied and numerous. They helped decorate a hall for Homecoming and to encourage school spirit, they sold paper links to each grade to make a spirit chain. At the conclusion of the contest, the Sophomores had the longest chain. Another one of their projects was the compilation and selling of the student directory. By selling advertisements to businesses to help pay for the printing, the cost of the directories to the students was only thirty-five cents. The annual Val-a-Gram sale was another of En Amie's many successful ventures.

Friendliness and service is a vital part of En Amie and it does not stop at the boundaries of O. D. Wyatt. At Christmas they gave a donation to the city's Good Fellows Fund and donated food and clothing to a needy family.

Terry Stewart, Bonnie Bailey and Sue McGregor dig the directory's centerfold.

“Keep That Spirit Up”

THE 1972-73 OFFICERS FOR WYATT BLUES WERE: (Standing) Barbara Sisson, Pres.; (Seated) Cheree Evans, Treas.; Terry Lovell, Sec.; Laurie Wilson, Projects; Yolanda Flint, Pub.; and Lisa Crenshaw, V-Pres.

Wyatt Blues started the year in a spirited way by attending the first pep rally and yelling predictions of victory. Throughout the year, this enthusiasm never ceased. They made locker decorations for the athletes' lockers and signs for the auditorium; formed a path of spirit on the football field for the team to run through; and dressed in blue uniforms on game days to demonstrate to all their support of Wyatt's various teams. Attendance awards for football, basketball, track, and baseball were given to the girls at the conclusion of each sport.

Their support of Wyatt extended beyond athletic competition. They participated in the Roadrunner Round-up with a colorama and a raffle for a radio. Members took pride in decorating the west end of A hall in the traditional goal post design complete with yard lines, crowds, players, and slogans. This brought back memories to both students and exes.

“Pick It Up”

THE WYATT Y OFFICERS FOR 1972-73 WERE: (Left to Right) Paula Harris, V-Pres.; Cynthia Lampkin, Sec.; Nancy Ewing, Treas.; and Sheila Brittain, Pres.

Wyatt Y, sponsored by the Young Women's Christian Association consisted of twenty girls concerned with the pollution of our community. They strove to improve our environment by periodically holding cleanup campaigns. One such campaign was at Carter Park, which is near Wyatt's campus. Their annual camp-out, which was held at Whitney State Park, renewed their hope and determination to preserve our natural settings for all to enjoy.

“Read a good book lately?”

Ex Libro, the school library club, is composed of students who work in the library during the school day as library assistants. To promote interest in and effective use of the school library is the purpose of Ex Libro. They strive to give the library a pleasing atmosphere in which students may work and read.

The club was active in many of Wyatt's activities and worked hard for the improvement of Wyatt and its facilities. They participated in the Roadrunner Round-Up and donated several books to the library as one of their annual projects.

THE EX LIBRO OFFICERS FOR 1972-73 WERE: Judy Egg, Sec.; Janet Claybrook, Treas.; Lydia Cook, V.-Pres.; and (seated) Patsy Monroe, Pres.

“How many more caps do we have to make?”. . . 322!?!”

Office Education Association is made up of girls enrolled in Vocational Office Education. The purpose of this organization is to create an appreciation of an office occupation. The membership worked part time at office jobs throughout the city in addition to attending regular classes.

Even though they had a busy schedule, these girls found time to contribute a great deal to our school. They worked hard to prepare a room for 1972 Exes, on Homecoming Day. This hard work rewarded them with the first place trophy for decorations.

THE O.E.A. OFFICERS FOR 1972-73 WERE: (First Row) Carol Ostrokol, Hist.; Michelle O'Flaherty, Hist.; Sheryl Wilson, Rep.; Karen Williams, Sgt. at Arms; Diane Vogt, Sec.; Patricia McBurnett, Parl. (Second Row) Peggy Wells, Sgt. at Arms; Cynthia Craddock, V.-Pres.; Debi Morton, Pres.; and Nan Ralston, Treas.

"I can't wait to go to the convention in San Antonio."

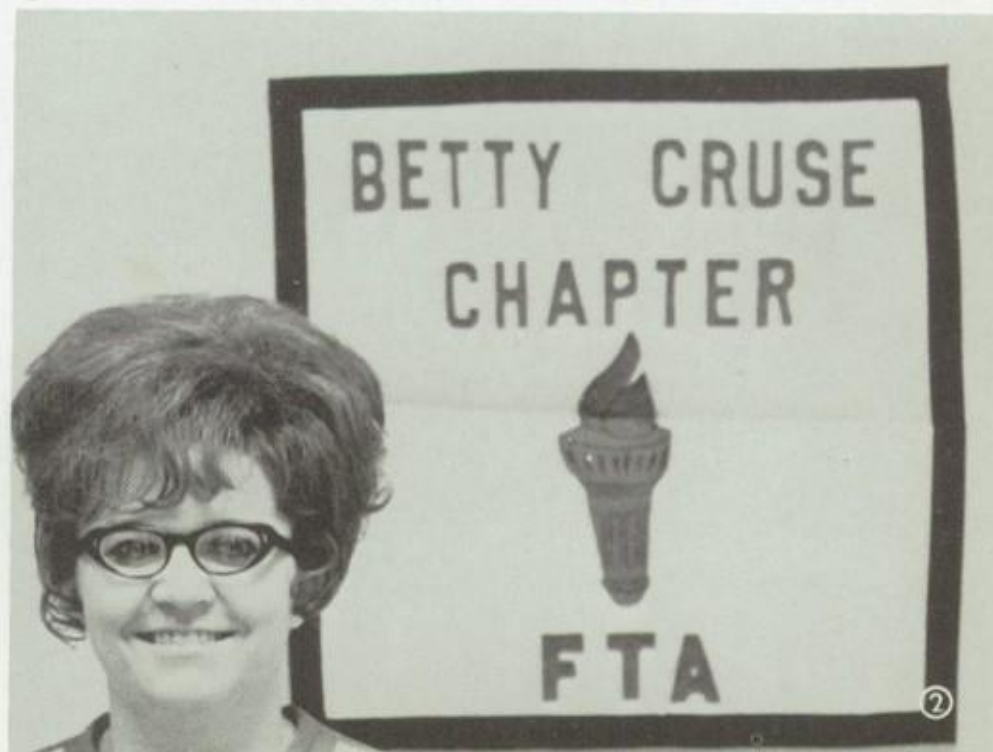

THE FUTURE TEACHERS OF AMERICA OFFICERS FOR 1972-73 WERE: Sondra Moore, Parl.; Nina Walker, V.-Pres.; Chris Snody, Sec.; Terry Stewart, Photog.; Amy Head, Pres.; Judy Buehler, Treas.; and (kneeling) Barbara Sisson, Hist.

F.T.A. became one of the most active organizations at Wyatt this year. The club sought to understand the teaching profession — its rewards and its disappointments. The membership totaled an enthusiastic forty-five. Their calendar of activities was full all year long with numerous social and service projects.

The day before school, they gave the faculty and administration a tea to welcome them to the new school year. To involve themselves with the officers of the other clubs and help the others to be better leaders, they sponsored an "Officers' Workshop." In service to the entire student body, the members sold and delivered red, white and pink carnations on February fourteenth. The club traveled to San Antonio February twenty-third and fourth for the second state convention ever attended by Wyatt's F.T.A. The club felt more involved in the convention this year because they had a voting delegate and entries in the scrapbook, handbook and special projects competition. Larry Rose and Terry Stewart represented Wyatt at district competition for Mr. and Miss F.T.A. Both Larry and Terry coveted the District XI title making them candidates for the statewide contest in San Antonio. The Installation Banquet in the spring was second in

excitement only to the convention. At that time the officers for the 1973-74 school year were installed. The honored guests at the banquet were the nine teachers which had been selected as "Teacher of the Month" during the current year.

The members of F.T.A. were exposed to a variety of situations. Through these exposures they were able to understand the importance of an education. They realized that choosing to be teachers gave them the responsibility of educating the leaders of tomorrow.

① The F.T.A. chapter was named for Mrs. Betty Cruse.
② Members of F.T.A. enjoy refreshments after a program at Nina Walker's house.

"We are the leaders of tomorrow's business world."

The members of V.I.C.A. spent the year helping each other develop leadership abilities for a world of work, attain a purposeful life and create an enthusiasm for learning. United by a common bond, they worked to promote high standards in trade ethics, workmanship, scholarship and safety. Their time was spent in many vocational, recreational and social activities. These activities were designed to create respect not only for the dignity of work but also for the individual. Students involved in V.I.C.A. received professional guidance in establishing realistic vocational goals which would help them attain a purposeful life.

THE V.I.C.A. OFFICERS FOR 1972-73 WERE: (First Row) Doug Medley, Sgt. at Arms; Tommy Shults, Parl.; Ricky Pratt, Pres. (Second Row) Debbie Long, Sec.; Sheila Sours, V.-Pres.; Debra Roberts, Treas.; Pam Fuller, Rep.

"Earn while you learn"

The O. D. Wyatt Distributive Education classes consisted of thirty-five juniors and seniors whose applications were considered after a personal interview with the prospective student and his parent or guardian. These students were then selected on the basis of grades, attendance, citizenship, the recommendations of other teachers, and previous employers when applicable.

The major goals of the program involve the concept of free-enterprise, money management through the 'earn while you learn' program, and the importance of responsibility and reliability.

The student completed his high school education not only with qualifications for college entrance, but also possessed a saleable skill and a mature set of values as a result of his participation in the business world.

THE D.E.C.A. OFFICERS FOR 1972-73 WERE: (First Row) Florence Rodriguez, Treas.; Ava Herring, V.-Pres.; Karen Stevens, Sec. (Second Row) Robert Mowell, Parl.; and Dean Williams, Pres.

"I finally completed my Science Fair project."

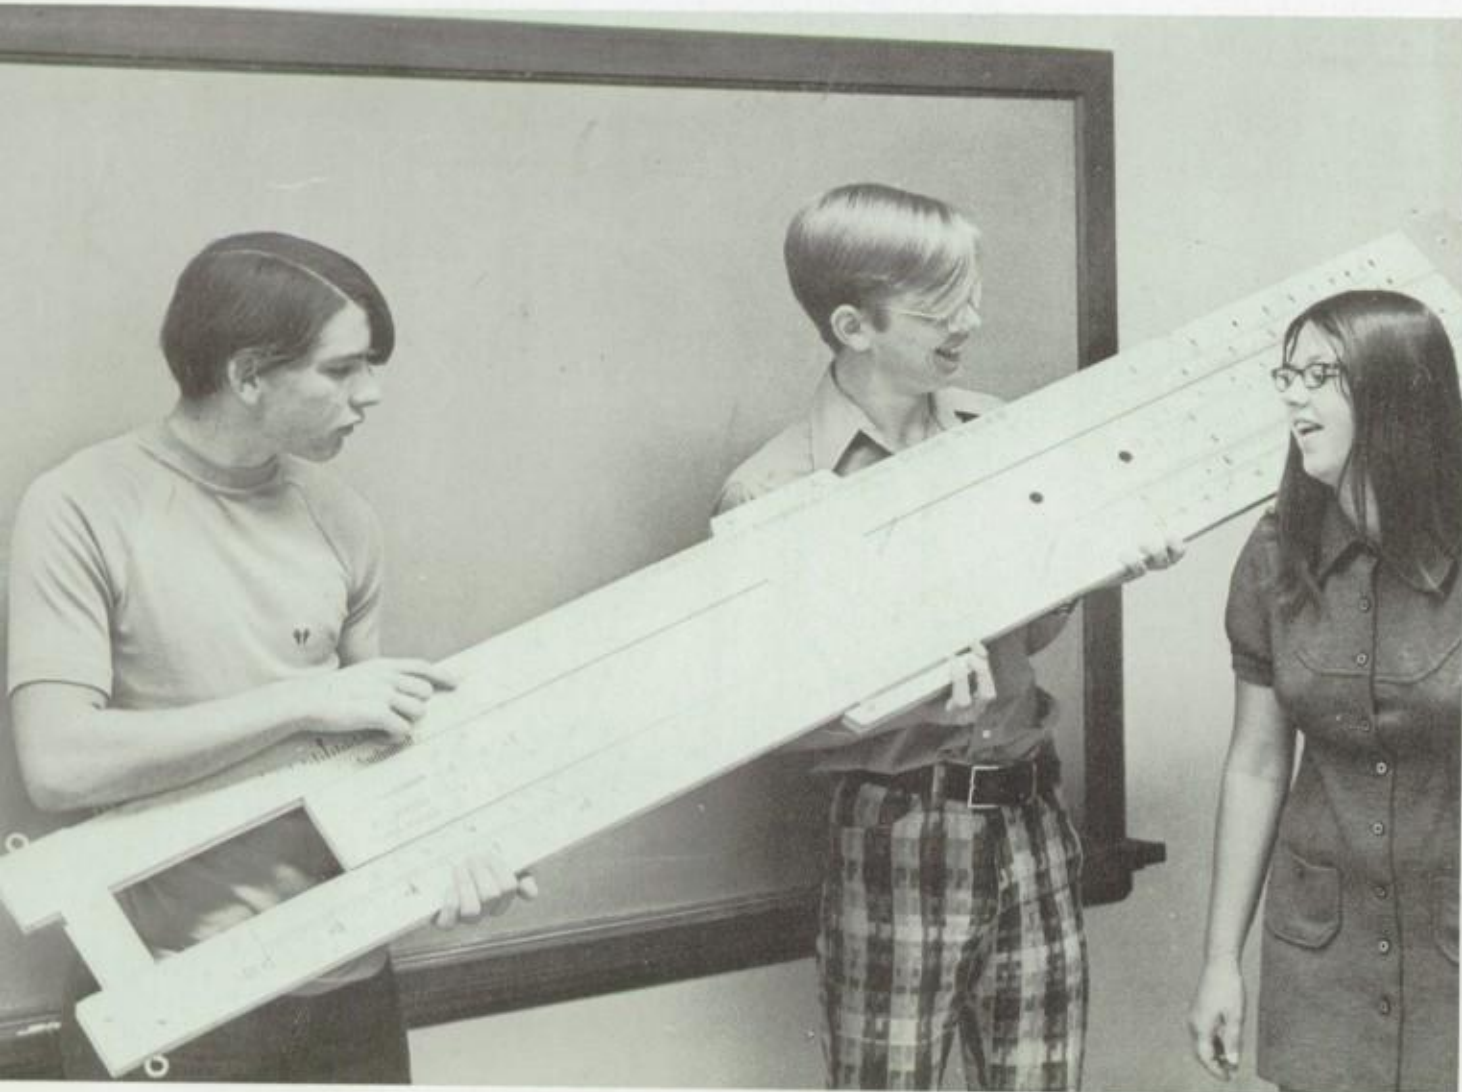

THE SCIENCE CLUB OFFICERS FOR 1972-73 WERE: Don Hunt, Pres.; Danny Cavazos, Treas.; Larry Hoskins, V.-Pres.; and Robin hyne, Sec.

To expand a student's interest in Science and its application to the world around him is the purpose of the Science Club. Science makes a great contribution to mankind. The members of the Science Club took this into consideration when Science Fair time arrived. The majority of the Science Club members were involved in preparing a project for the Spring Science Fair.

Aside from the Science Fair projects, the club went to a Chemistry and Physics open house at Texas Christian University. Scientific questions were discussed and answers were experimented with.

Exploring minds are as much a part of Wyatt as they are of the world.

"Are you ready for interscholastic competition?"

THE MATH CLUB OFFICERS FOR 1972-73 WERE: Don Hunt, V.-Pres.; Dwayne Smith, Pres.; Denise Best, Sec.-Treas.

The O. D. Wyatt Math Club, sponsored by Mr. Willis Nelson, successfully met its goal this year in developing further interest in math. Members not only studied advanced types of math, but also entered the Interscholastic League Competition for slide rule and number sense. The Math Club took many field trips to various places to expand their knowledge. On a field trip to T.C.U., they toured the computer complex and learned more about computer operation.

The Foreign Language Club was involved in numerous activities throughout the year. During Homecoming Week they joined with F.T.A. in decorating the cafeteria. Also, on the day of the game their members decorated cars with signs and streamers for many of Wyatt's fans. Dinner parties featuring foreign cuisine were some of their most exciting projects. Barbara Sisson held a French Dinner at her home, a German Dinner was held at Susie Hitt's and a Spanish Fiesta, complete with costumes and authentic Spanish dishes, was given by Olga Herrera.

Among their other projects were field trips to the Mardi Gras at Nolan High School, the Octoberfest at Tarrant County Convention Center and a trip to Mexico City for a week during the Easter break. They paid for many of their socials and projects with the profits made from the sale of 1973 Calendars and Valentines. Their year was full of fun, excitement, learning and new experiences.

THE FOREIGN LANGUAGE CLUB OFFICERS FOR 1972-73 WERE: (First Row) Amy Head, V.-Pres.; Kelly Morgan, Treas.; Olga Herrera, Hist. (Second Row) Sondra Moore, Pres.; and Kathy Bell, Sec.

"Support your local debate team."

Competition was the by-word for the 1972-73 Wyatt Debate Club. Wyatt students entered more speech tournaments and brought home more awards than in any previous year. The members of the Wyatt Debate Club represented the school in a number of competitive speech events, such as debate, oral interpretation, persuasive speaking and a variety of other interesting events. Members improve their abilities to speak, argue and research more effectively in a format that proves both educational and enjoyable.

Highlighting the sixteen tournament schedule attended by the debate club were out of town meets in Austin, Wichita Falls, Abilene and Tyler. Among the more outstanding awards won during the past school year were a First Place Sweepstakes trophy at Eastern Hills High School and a First Place Sweepstakes trophy at the Tarrant County Junior College tournament.

Optimism ran high at the end of the year, as the members of the club, all returning next year, looked forward to future success in the competitive forensics.

THE DEBATE CLUB OFFICERS FOR 1972-73 WERE: Mike Speer, V.-Pres.; Robert Grimm, Rep.; and Paul Newman, Pres.

"Break A Leg!"

The O. D. Wyatt Thespians, an association affiliated with the International Thespian Society, offers young people an opportunity to meet and discuss the fields of drama and become lifetime members of this organization with the acquisition of participation points. These points can be earned in all the fields of drama including set design, acting, building sets, direction and many others. The group actively supported drama for young men and women, by giving them access to information about new ideas and trends in drama.

The Thespians were also aware of the essential obligation of a school club and met these duties with zest and sincerity. The members sold door mats to make money for the club's many expenses. A dual purpose project was the collection of newspapers, which helped preserve trees and raise more money. The club had many supporters and of these, Mrs. Wooldridge, Mrs. Plummer, Mrs. Collins and Mrs. McKnight were made honorary members of the organization for their outstanding contributions and efforts.

THE INTERNATIONAL THESPIAN SOCIETY OFFICERS FOR 1972-73 WERE: (Top to Bottom) Gene Vance, Socials; Terry Stewart, Sec.; Amy Head, V-Pres.; Lisa Cordell, Treas.; Gary Kinley, Scribe; and Susie Hitt, Pres.

Pictured above are Mrs. Marilyn Wooldridge, Mrs. Kathryn Plummer, Mrs. Carie Collins, and Mrs. Carolyn McKnight being awarded honorary memberships to the Thespian Society.

"I want my home to be a happy one."

The Future Homemakers of American were very busy with a variety of projects to make money, to increase spirit and to help their community. At Christmas time many hours were spent in selling candles to raise money for the club's treasury.

They helped boost homecoming spirit with the decorating of "B" hall. Their theme for the hall was "Chaps are world famous." For a community project they baked cookies and took them to the Forest Hill Nursing Home.

They also spent time developing their knowledge and background by participating in field trips. In May, they attended the state convention in San Antonio.

This organization, with its high ideals, has helped its members set high standards and goals that will insure stability in their future homes.

“Did I ever act like that?”

Some students at Wyatt had the opportunity this year to work with elementary age children. They worked in the elementary schools within the O. D. Wyatt district. By working everyday with the children they were able to help some of the individual children develop normally so they could become well adjusted members of society. It also provided our students with the chance to experience first hand what a teaching career would involve.

The Medical Careers Club was formed in order to bring together those students interested in the wide open field of medicine. They were exposed to many of these areas through a visit to Peter Smith School of Nursing for a stint of duty with a student nurse, a tour of the Radiation Center, and speeches by doctors from Harris Hospital. Their experiences helped them form opinions and direct their interests in the medical field.

They made the days of people of all different ages a little brighter by their actions at Christmas. Scrapbooks that they had made, along with candy, was delivered to the children at Cook Hospital. A place of residence for people of the older generation received baskets of fruit from the thoughtful members. The interest in others and the generosity shown to them by the members was appreciated.

THE MEDICAL CAREERS CLUB OFFICERS FOR 1972-73 WERE: Vanessa Calwell, Pres.; Susan Cheek, Sec.-Treas.; Beverly Brooks, Program Chairman; and Karen Holt, V.-Pres.

Room H-61 houses the Orthopedic Club. The members try to encourage understanding between teachers and pupils of regular classes and orthopedic students. They feel that it is important to further encourage a realistic acceptance of physical abilities in orthopedic students while still maintaining worthwhile ambitions. The club works outside of Wyatt to maintain a relationship with Concerned Youth for Cerebral Palsy in order to better inform the public of

the needs, potentials and achievements of the orthopedic unit.

The orthopedic club's school and social activities were many and varied. They hosted a Christmas Buffet Program for their parents as well as informal Birthday celebrations for club members throughout the year. A production of "Romeo and Juliet" was viewed with interest by the members at Casa Manana in October.

The Letterman's Association's purpose is to bring unity among all sports and to set the standard for earning a letter jacket. Sportsmanship and team spirit are stressed at all levels of competition. In addition to these goals the club members sought to bring about a good working relationship between coaches and players in order to promote close team effort as well as to encourage individual achievement.

“Goat ropers need love too!”

The purpose of the Rodeo Club is to achieve greater skill in the equestrian art as well as to form better sportsmen and women through individual competition. They were a member of the North Texas High School Rodeo Association, which has a membership of over fifty schools. They competed in sanctioned rodeos for individual points as well as team points. All were totaled towards the finals in May. Only the top fifteen in each event were eligible to go to these finals. By participation in these rodeos the club won many trophies to serve as reminders of the prowess of the Rodeo Club members of 1972-73. These winnings brought honor to the club as well as pride to O. D. Wyatt.

In addition to participating in activities outside of Wyatt the club sponsored many of their own activities. A carwash and a radio raffle were among the money raising projects. The main project of the club, the annual O. D. Wyatt Rodeo, was held on the ninth and tenth of February. The profits from this rodeo provided the funds necessary to hold their annual spring dance.

The club had that spirit that only Wyatt students can have. They possessed an undying desire to be the best Rodeo Club around to enhance their self-esteem as well as O. D. Wyatt's.

A new club was organized this year by students interested in the sport of bowling. The idea behind the organization was to provide an opportunity for interested students to develop their bowling skills. Bowling is a popular sport that is enjoyed by both our male and female students. They practiced after school at the Berry bowling alley near the school to prepare for competition in tournaments both on an individual and a team basis.

THE BOWLING CLUB OFFICERS FOR 1972-73 WERE: Ted Bruton, Sec.; Tony Washington, Pres.; and Reggie Young, V.-Pres.

Another new club at Wyatt this year was the Ice Skating Club. The main purpose of the club was to get students interested in ice athletics and they tried hard to arrange times when everyone could meet and skate together. Although most of the members did not know how to skate in the beginning, they quickly learned how to balance themselves on the narrow blades and skate like pros. The scrapes, bruises, numb toes, and injured egos never dulled their appetite for skating.

THE ICE SKATING CLUB OFFICERS FOR 1972-73 WERE: Rick Newman, Pres.; Susan Miller, Sec.; Sue Williams, Treas.; and Susie Hitt, V.-Pres.

During the 1972-73 school year, Wyatt experienced a growth in one of its older organizations. There were twenty-nine members in the Chess Club. Among these members were beginners and experienced players. The intelligent man's game of chess was spread to the cafeteria, the band hall, the auditorium and even the classroom. Meetings were held weekly to prepare for school tournaments which were played frequently. Consistent practice produced quality players. The members found the game challenging and intriguing. They also found that it was a game that could be enjoyed when played with peers that realized the importance of graciously accepting victory as well as defeat.

THE CHESS CLUB OFFICERS FOR 1972-73 WERE: Gene Vance, Sec.; Ted Bruton, Pres.; Rocky Logue, Treas.; Larry Hoskins, Parl.; and Dale Martin, V.-Pres.

"Do red and blue really make purple?"

Seeking a better understanding of the principles of art and a closer relationship with art and artists, some of Wyatt's students banded together to form the Art Club. This group planned field trips to museums and studios in the Fort Worth-Dallas area to expand their knowledge and experience. Fortunately, the club was able to include in their visits the Kimball Art Museum, which opened in Fort Worth on October 4, 1972. They hoped to contribute a piece of sculpture and a set of stained glass windows to Wyatt to become a permanent part of the school.

Aside from their own domain of art, they were a part of the many school sponsored activities. They participated in the Roadrunner Round-Up by operating "The Maze" in E-36 and 37, and the hall in front of the auditorium was resplendent with circus awnings, animals and banners in honor of Homecoming, due to their efforts.

“Oops! We only have seven pages.”

The publication of the school paper, the *Blue Streak*, wasn't one of the easiest undertakings at Wyatt. The staff was constantly alert to any news in or about Wyatt. When enough news and advertisements were gathered, the Editors began sorting, rewriting, adding to the stories, and constructing layouts.

During the year the newspaper staff went to several journalism clinics and contests. At the beginning of this year, the staff attended a journalism clinic held at Texas Christian University. At this clinic the staff was prepared in every type of writing, from editorials to sports, and the problems that occur in writing and gathering information.

All the hard work seemed to pay-off since the paper changed many of its old techniques to more efficient methods. They concentrated on their features and art work to make it appeal to the students.

Later in the year, the newspaper and various individual works were entered in the UIL contests held in Austin during March ninth and tenth.

With the final edition of the paper, which was dedicated to the seniors, the staff realized their goal as a newspaper staff. They produced a written history of the O. D. Wyatt students and their activities for the 1972-73 school year.

The ROADRUNNER STAFF exists as an organization for the purpose of serving the entire student body and faculty. The annual staff has the responsibility of creating a memory book. They worked diligently to pick the right pictures, the ones that would mean the most to the students. Many hours were spent meeting deadlines set by the publisher.

Several bake sales were given to meet the rising cost of having the book published. Although there is fun and good times among the members, very little time is set aside for pleasure until all the books are in the student's hands. To kick off the annual sales the staff dressed as clowns to attract attention, which they did successfully, so that students would be sure and buy an annual.

Training and Hard Work,

① Execution is the key for victory as Ivey Suber (31) scores behind the excellent block of Ray Villalobos (60), Robert Tillman (76), and Robert Powell (20). ② Joys of victory are common, as can be seen in teammates Matt Willis (71), Ramey Shutter (35), and Garner Hallmark (52). ③ Eluding a Heights defender, Quarterback Butch Riddle (11) shows winning form.

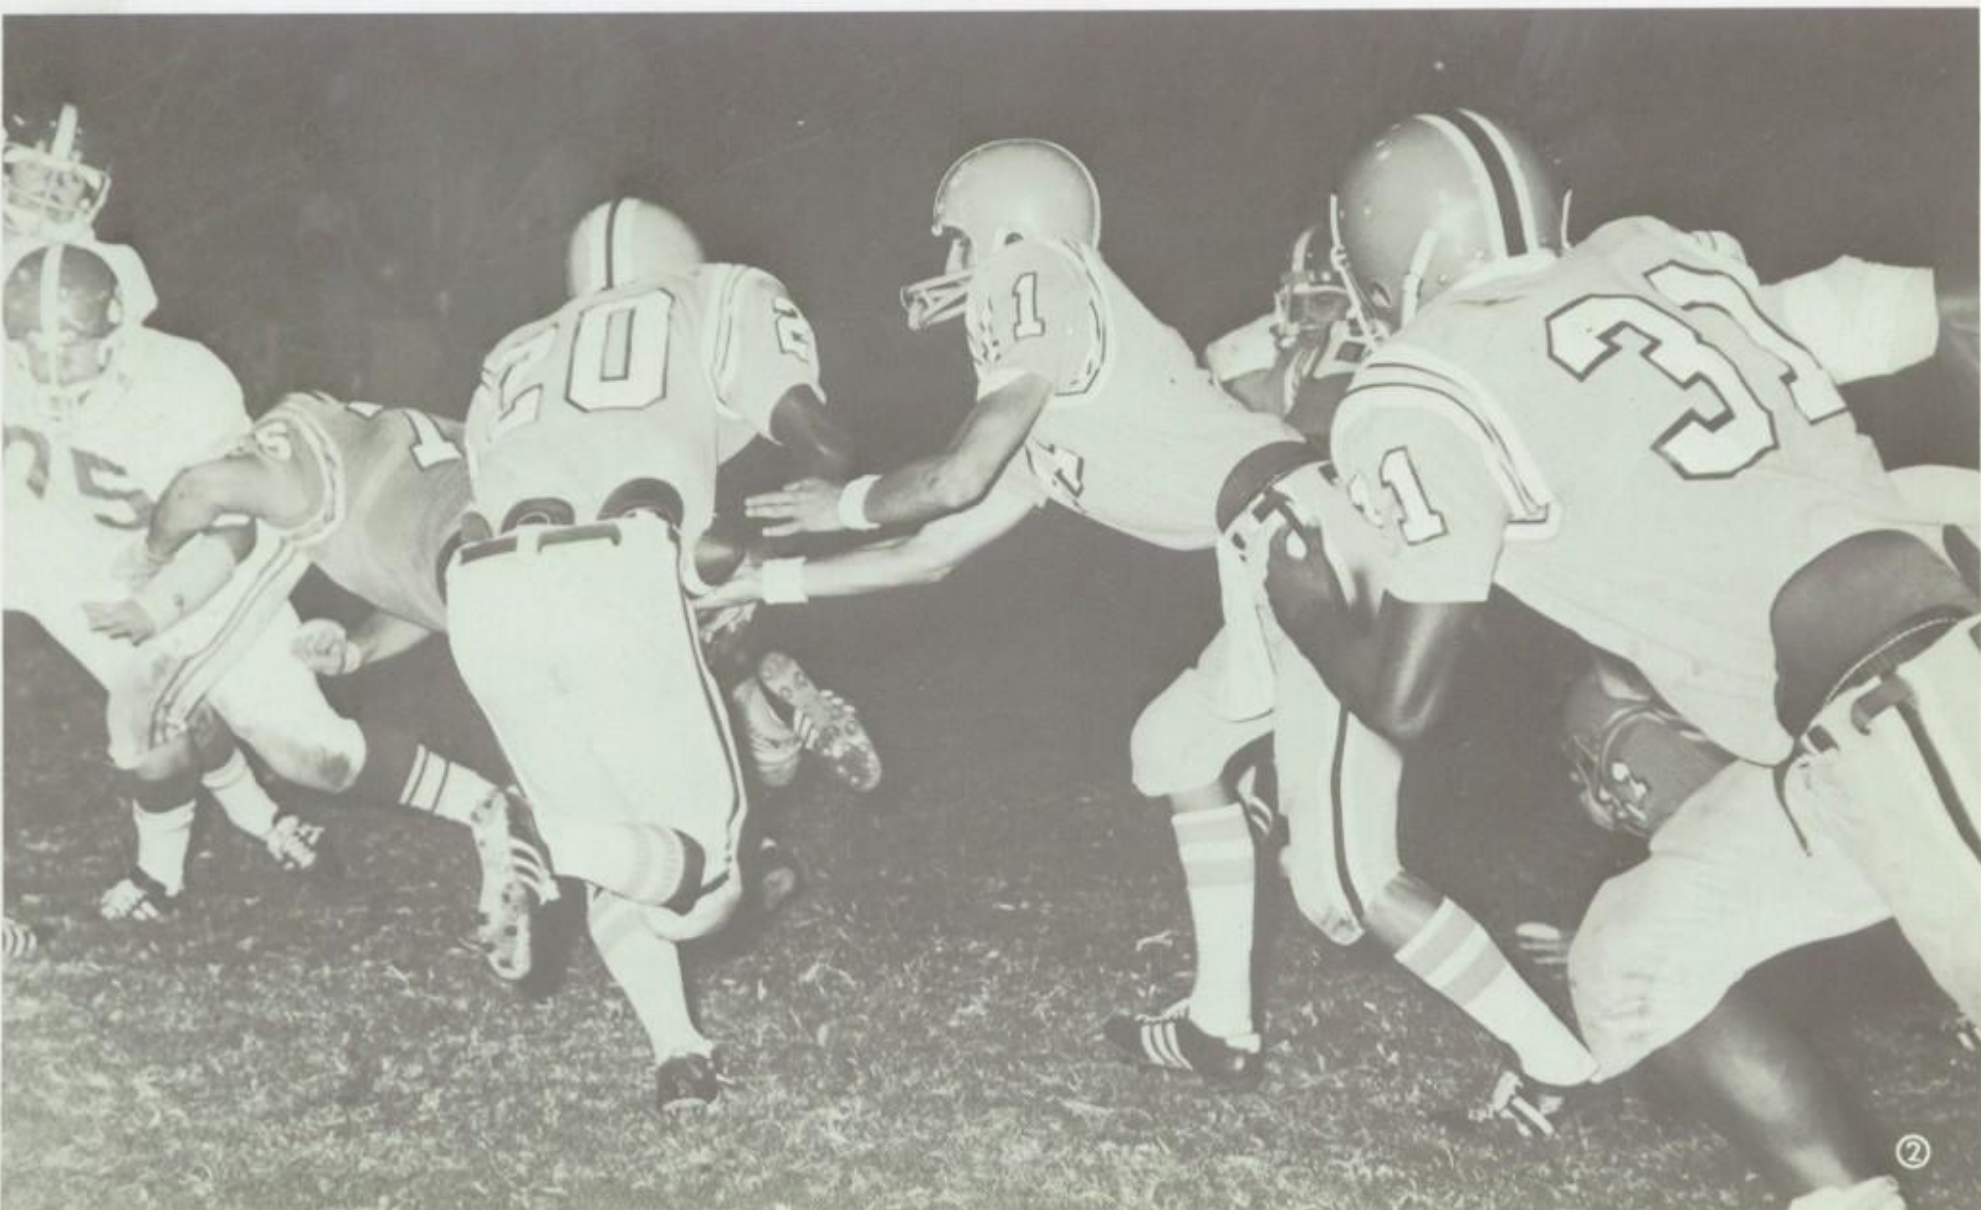

The 1972-Wyatt offense ranked second in points only behind the 1970 team. Wyatt scored 196 points with scores by All-American Ivey Suber and All-Stater, Michael Nelms. Scores also were added by David Mocio, All-District Place kicker, Robert Powell, fullback, Jimmy Richardson, wide receiver. Behind each of the plays was Quarterback, Butch Riddle. None of these backs would have had successful seasons if not by the superior blocking of All-District linemen, Roy Frost, Steve Martchenke, Ray Villalobos, Robert Tillman and Mike Pettke. Linemen often times get little credit for the part they play in scores, but without the linemen the backs would be vulnerable to the defense. These men and others did a fine job of preventing the defense from getting to our ball carriers. Many points were added by our specialty teams. Runbacks of kickoffs and punts were common by Larry Nelson and Don Clements throughout the season.

Wyatt's overall offense was a polished machine with each part working with the utmost precision. Individually no one person could have achieved the goal of District Champions. This was all a team effort where superior coaching, playing and thinking was always evident.

① Tony Lampkin (81) shows perfect concentration as he reaches high to make fine catch against Western Hills. ② Due to exceptional blocking by the offensive line Robert Powell (20) scoots through a gaping hole for a touchdown.

strongest weapons in Wyatt's history. Maurice Moore, All-District defensive end, did an outstanding job of keeping the ball carriers toward the interior linemen. Of these, Robert Tillman and Jim Muse, All-District players, seldom let the ball get past the line of scrimmage. However, if someone should possibly slip past them they would regret it fully by running into the open arms of Ronnie Beal, our All-District linebacker. One of the new faces at Wyatt was that of our All-District middle guard Stan Hatcher who plugged up the middle.

Boone, Londell Fisher and Larry Nelson at the corner back positions and Michael Nelms was posted back in the safety position. All of these players were on the All-District roster. This well disciplined, hard working defense was able to keep their opponents to a low 79 total points which was the lowest in Wyatt's history. This might lead one to think that this year's 1972 Wyatt Chaparrals were an All Around Number One Team.

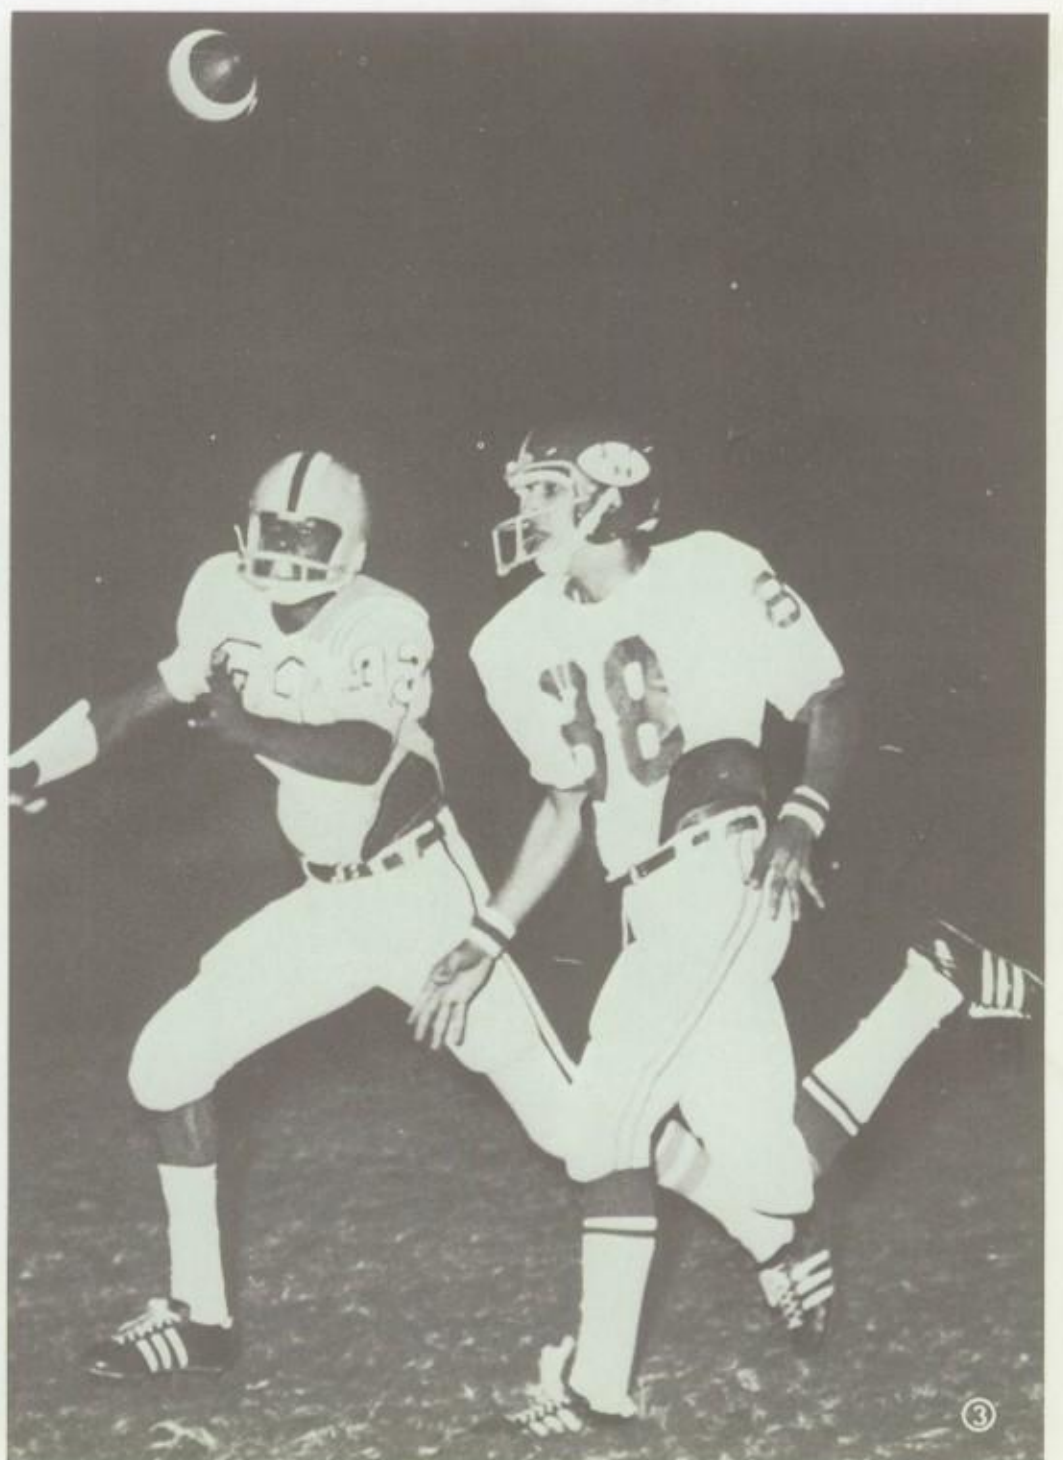

① Western Hills runner comes to an abrupt stop as Wyatt's defense led by Donnie Boone (23), Ronald Beal (61) and Roy Frost (75) put up a stone wall.
② Gang tackling lead by Ronald Beal (61), Garner Hallmark (52), Stanley Hatcher (53), Jim Muse (77) and Robert Tillman (76) stuns Northside runner as he tries the heart of Wyatt's defense.

Determination

① Numerous obstacles are no great barriers for defensive men Ronnie Beal (61), Walton Wright (82) and Londell Fisher (25), as they converge on Northside's runner. ② Ray Villalobos (61) takes a long look at the ball before making recovery. ③ Larry Nelson (33) stays stride for stride with Eastern Hills receiver to break up catch.

O. D. Wyatt's Basketball team started the year with a young inexperienced team, consisting of four sophomores, four juniors and two seniors. This year's team won more games than any other in the school's history, twenty, and a second place finish in District. Karl Bradley made First Team All District and was the third leading scorer in District AAAA-9 with a 17.2 average. Gerry Greene was on Second Team All District, with Billy Trigg making Honorable Mention. Darrell Smith was Sophomore of the Year. The leading scorers for the Chaps were Karl Bradley with 476 points, Gerry Greene with 294 points and Darrell Smith with 263 points. Leading rebounders were Gerry Greene, Mark Brown and Stanley Hatcher.

Because it lacked experience the team was not expected to finish high in District standings. With a lot of hard work and determination they steadily improved and matured into a strong contender for the District Championship, losing to the eventual champions in a very close playoff game by one point.

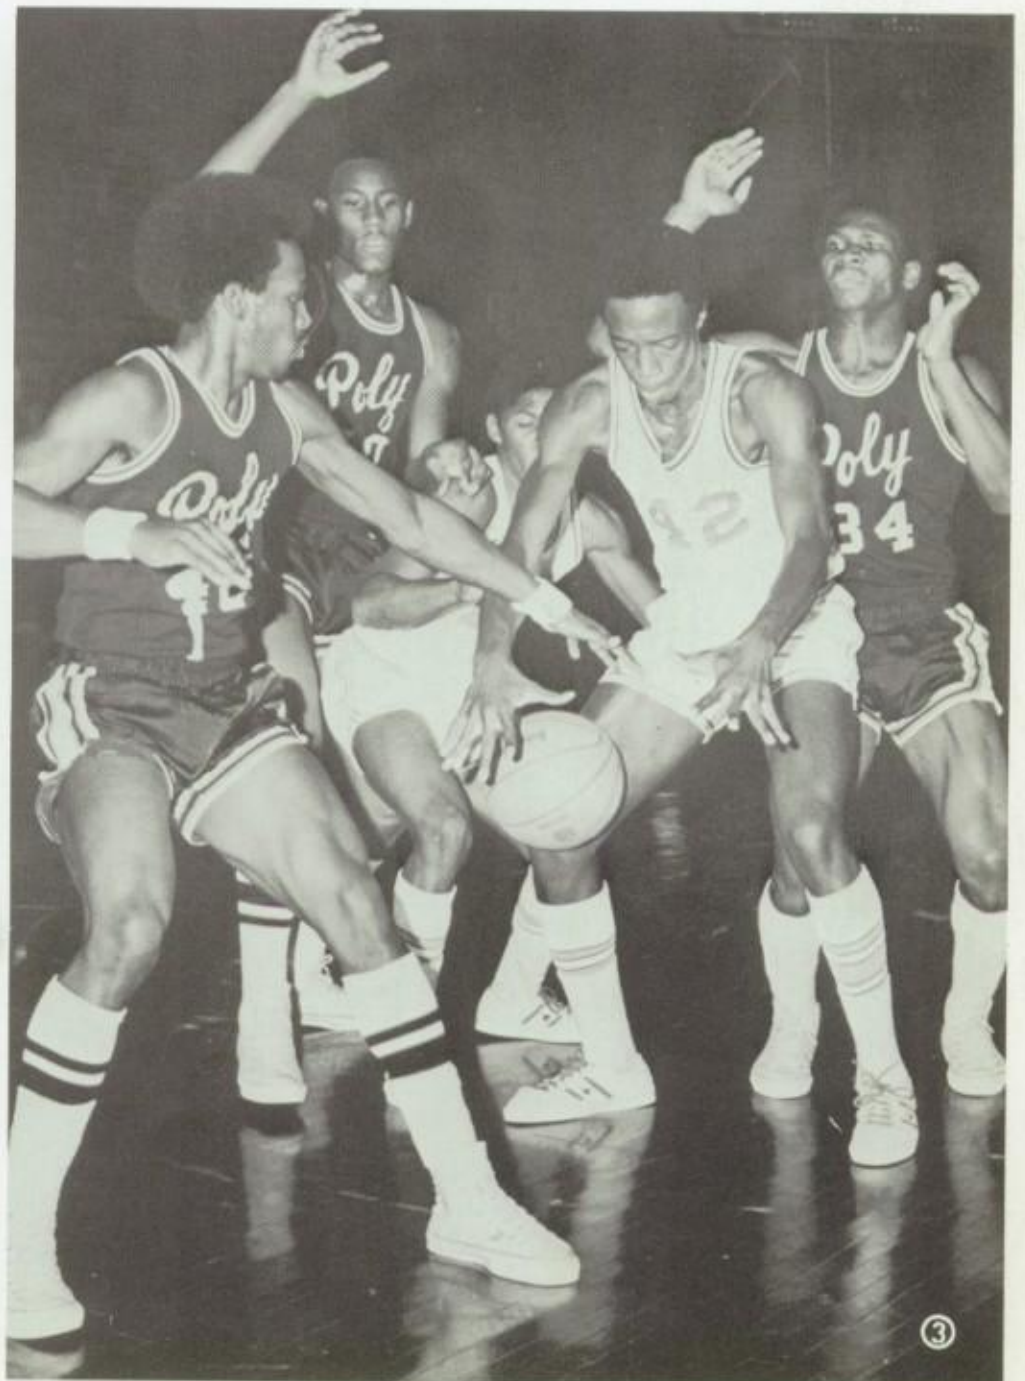

① Darrell Smith (14) goes high in the air to make a basket. ② Outside shots by Carl Bradley (13) were familiar scenes throughout the season.

Coordination,

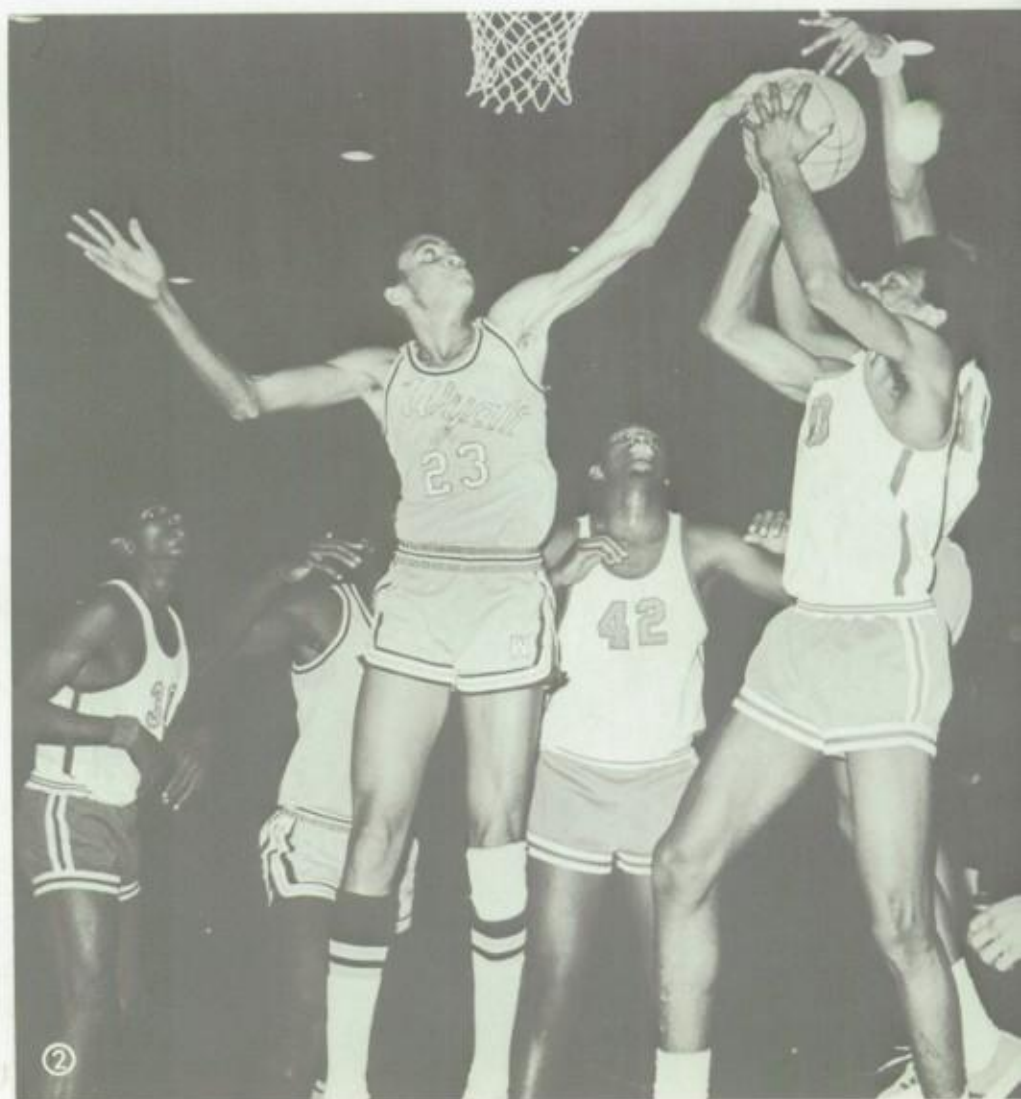

① Darrell Smith (15) takes a bead on the basket against I. M. Terrell. ② Using Gerry Greene (23) as a screen against I. M. Terrell's defense, Karl Bradley (13) goes for a shot. ③ The sure hands of Junior Mark Brown (42) retain ball against Poly defense.

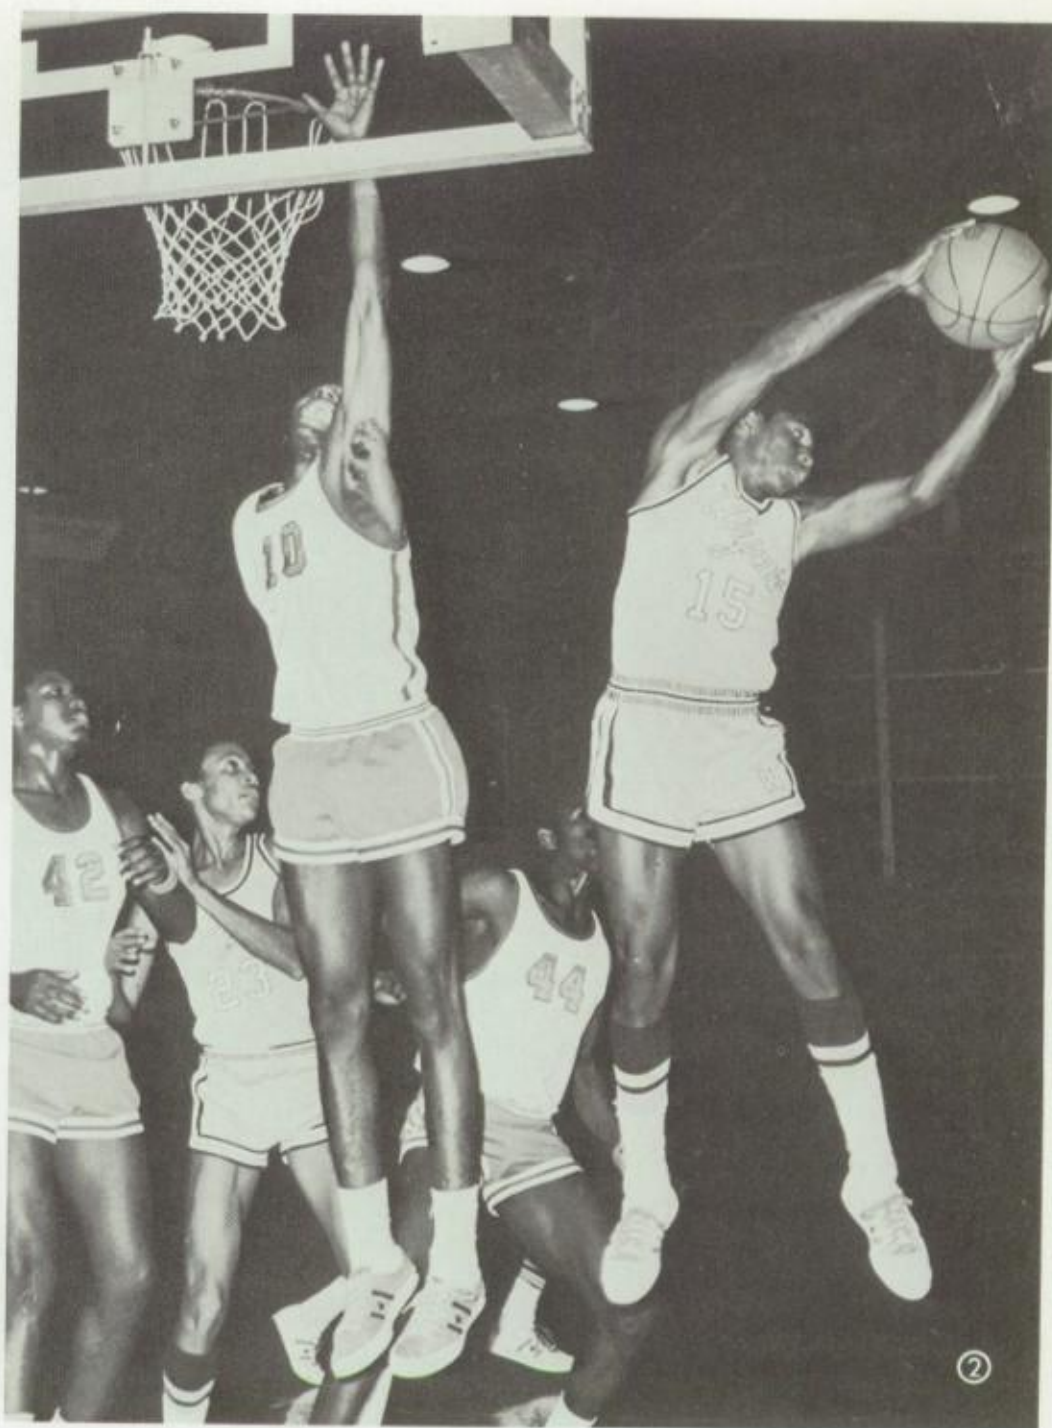

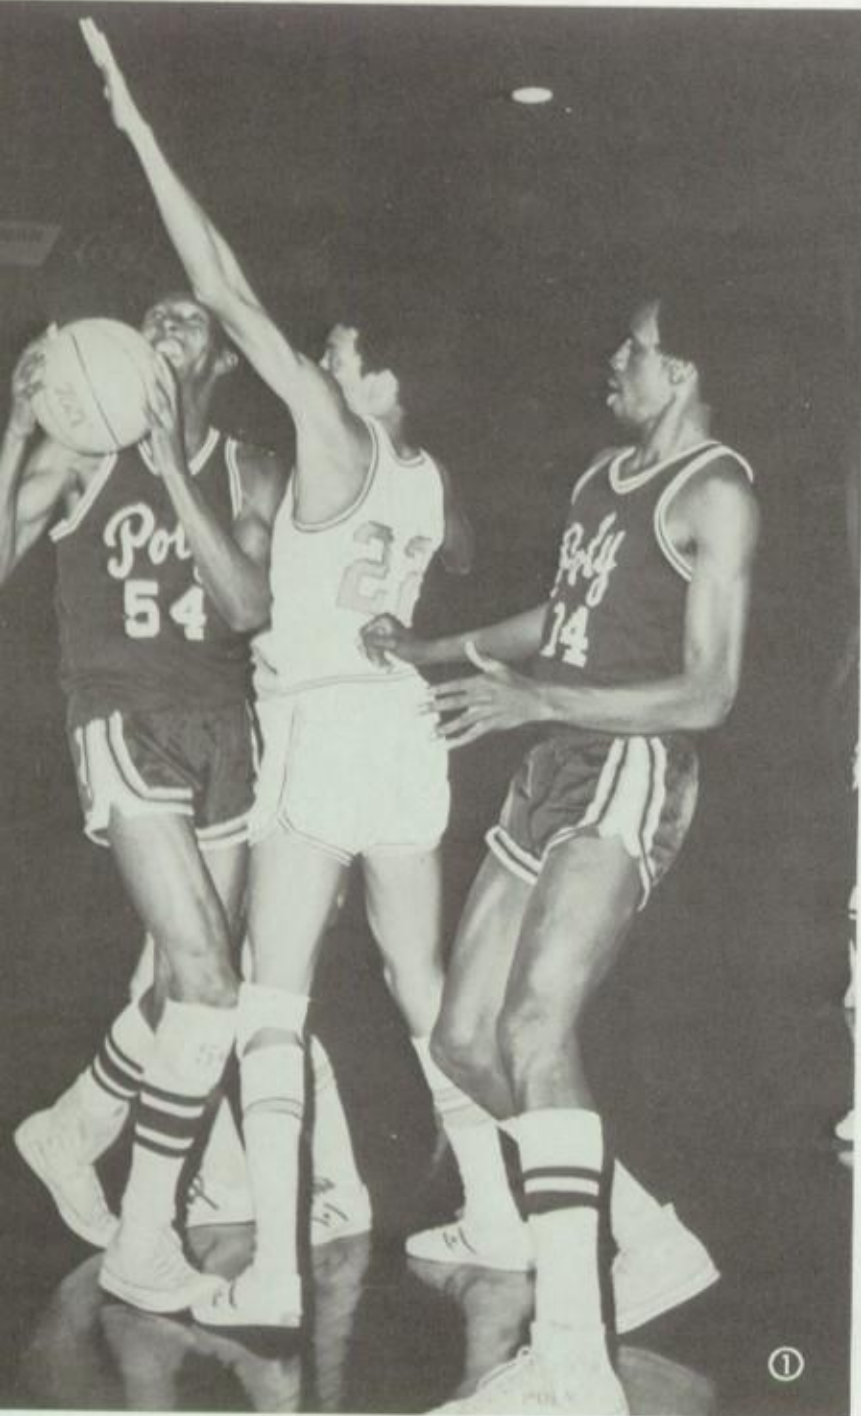

Agility,

① Reaching high in the air, Stan Hatcher (45) retrieves a Poly rebound. ② Gerry Greene (23) stops Panther threat with a fantastic block.

① Gerry Greene (23) stretches to force Poly to give shot a second thought. ② Darrell Smith (15) hurts Terrell's ego by snatching ball that wasn't there. ③ Surrounded by Terrell defenders Stanley Hatcher (45) steals rebound.

DISTANCE RUN

The O. D. Wyatt track program grew bigger this year with quality as well as quantity of participants. Some of the seniors that were outstanding tracksters were Ivy Suber, Dick Opperman, and Michael Green, who ran in the sprints and relays; Thomas Jones and Fred Merriwether who did a tremendous job in the hurdles; and, Roy Frost, Robert Tillman, Michael Nelms, and Fred Merriwether, who excelled in the field events.

In the first track meet, which was the Coaches Indoor meet, our track team qualified more participants than any other high school in Tarrant County. Winning this meet was the start of a victorious track season. **YOU CAN'T WIN THEM ALL UNLESS YOU WIN THE FIRST ONE.**

"The class of '73 is the first group to attend Wyatt for four years. There are nine seniors on the Varsity Baseball team. I feel that these nine are excellent examples of the athletes which have made Wyatt No. 1. It is this team's goal to lead Wyatt to its first state championship."

— Coach John Bentley

a Strong Arm,

The "will to win" was the driving force in the minds of the 1973 Wyatt Baseball team. The aspiring and ambitious Chaps gave their all to lead the school to a state championship. Under strong coaching by Coach John Bentley the team was able to give the full strength of their skill and to fulfill their potential as a team.

To have a championship team, it takes a total team effort and multiple sacrifices. Pitching was a vitally important part of this year's team. David Mocio, back for his third year of Varsity competition, pitched with great speed and accuracy. Another good pitcher was David Whisonant, who displayed great form. Fine backup help in the pitching department was supplied by Gary Sanders and Jeff Opperman.

Defensively, Wyatt was second to none. Totally composed of seniors, the infield displayed the winning talents of last year's city champs: at first was Gary Sanders; at second was Mike Ellis; at third was Walton "Red Head" Wright; at shortstop was Bruce Erby; and handling the catching chores was David Hatcher. David was backed up by a fine catcher, Dubby Peacock. Wyatt's fleet-footed outfield consisted of Rayme Shutter in center field, Wendell Giles in right field, and Brian Crawford in left field. The remaining outfielders were Kyle Still, Chris Dove and Steve Ingram, whose will and determination rounded out the Chap team.

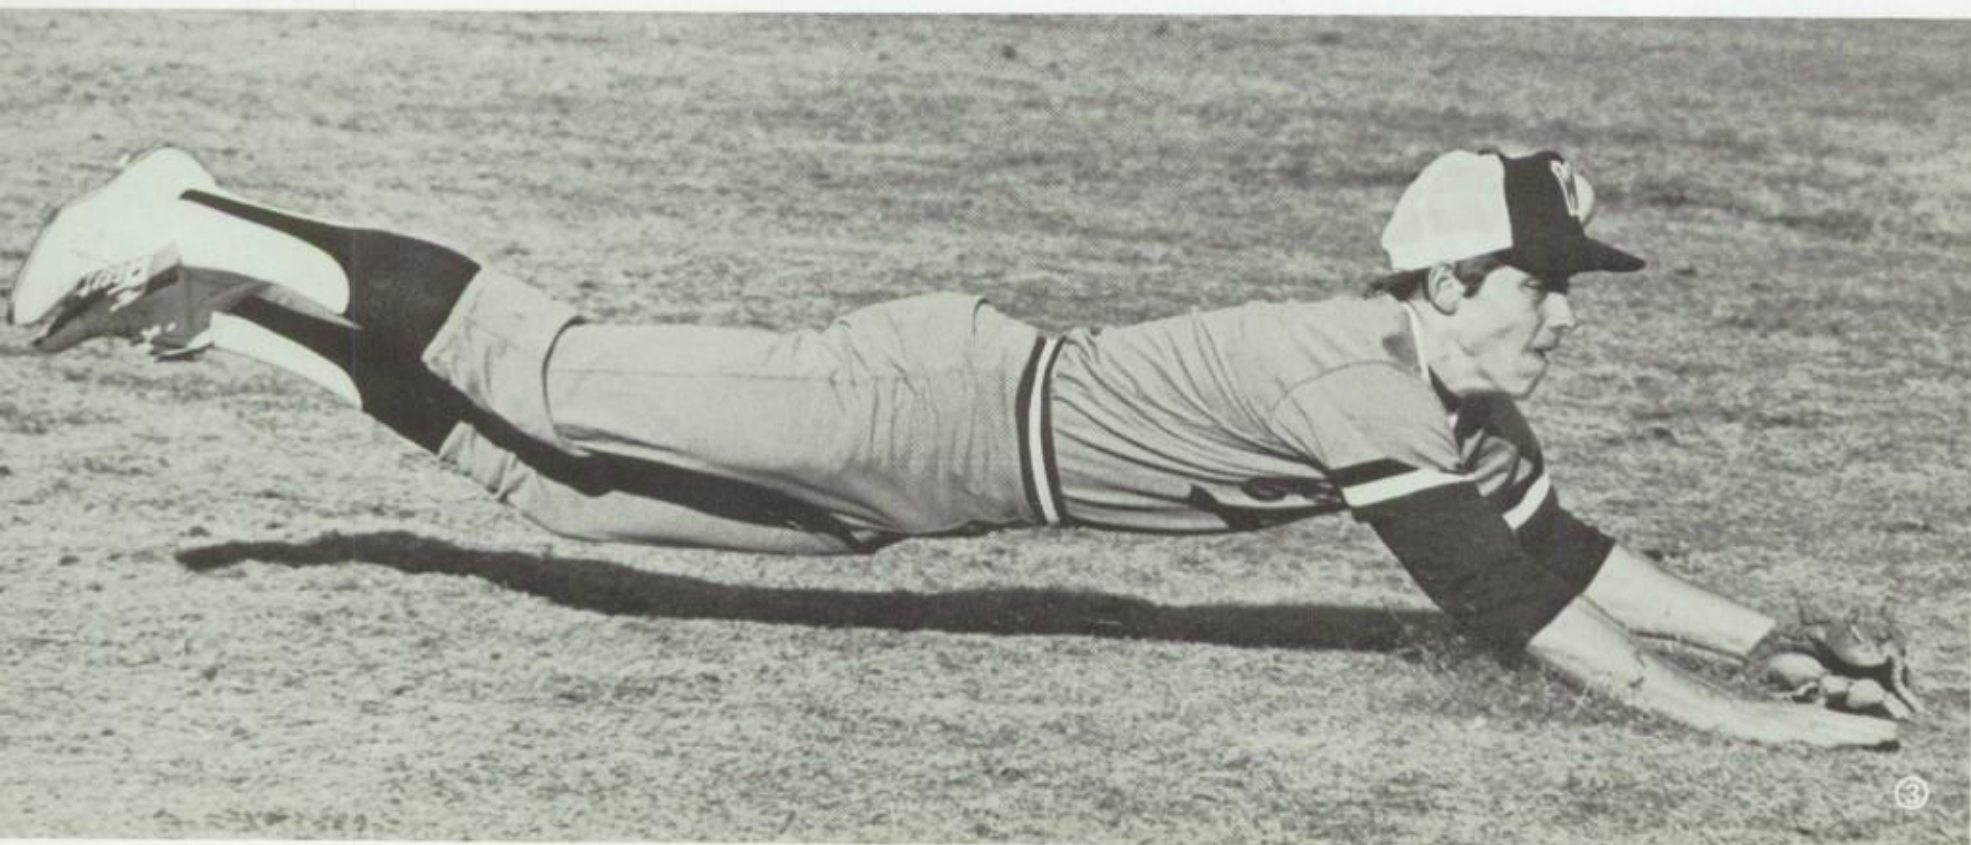

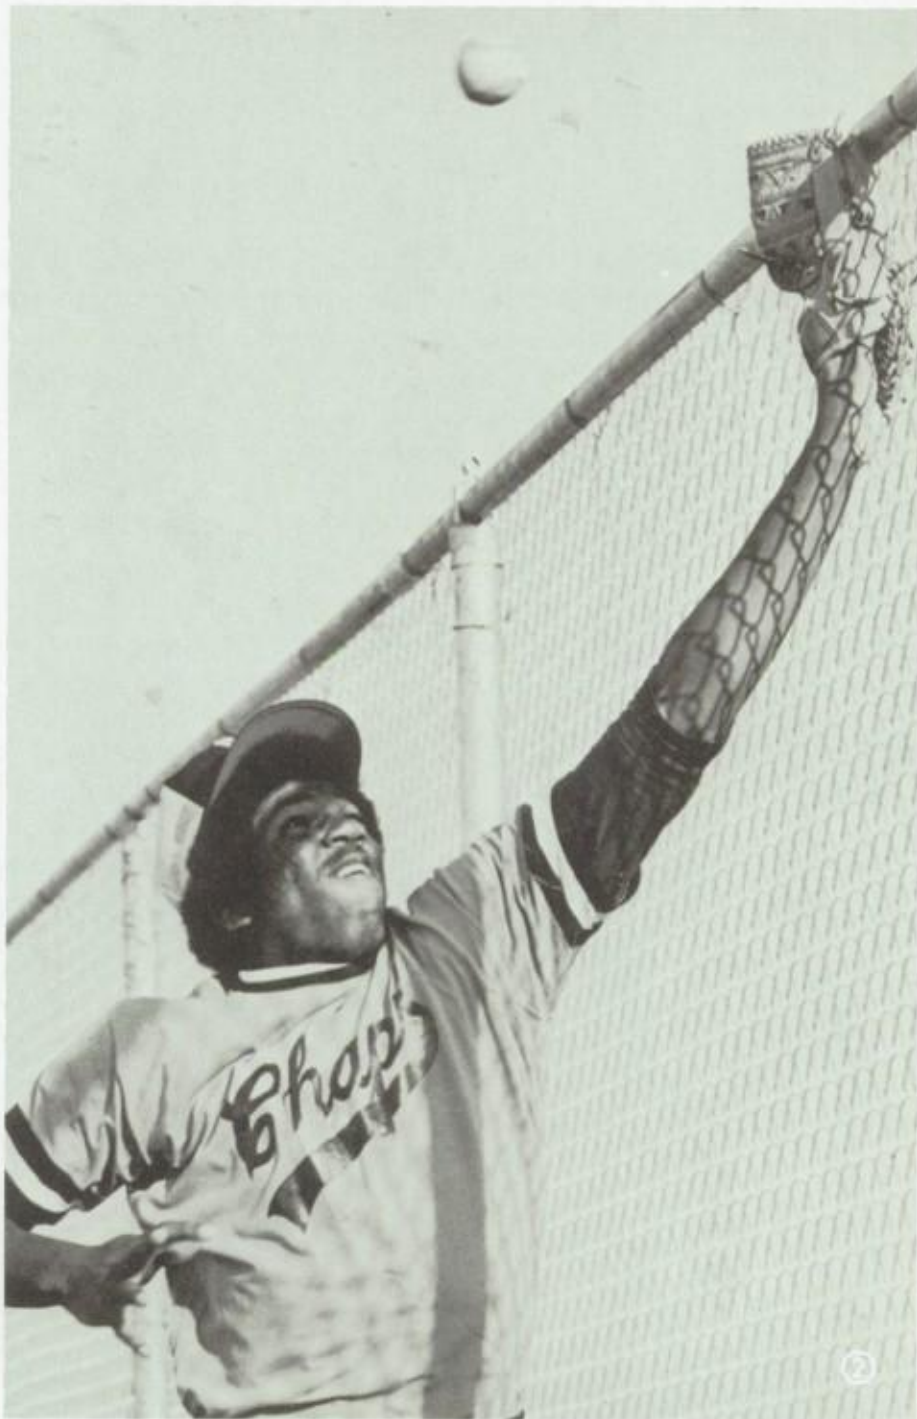

These were just a few of the willing attributes of the 1972-73 Wyatt Baseball team. The baseball season was exciting for the fans as well as a challenge to the players.

① Junior Pitcher David Whisonant shows form he hopes will carry Wyatt to the State Championship. ② Head Coach John Bentley gives last minute details to Chaps before taking the field.

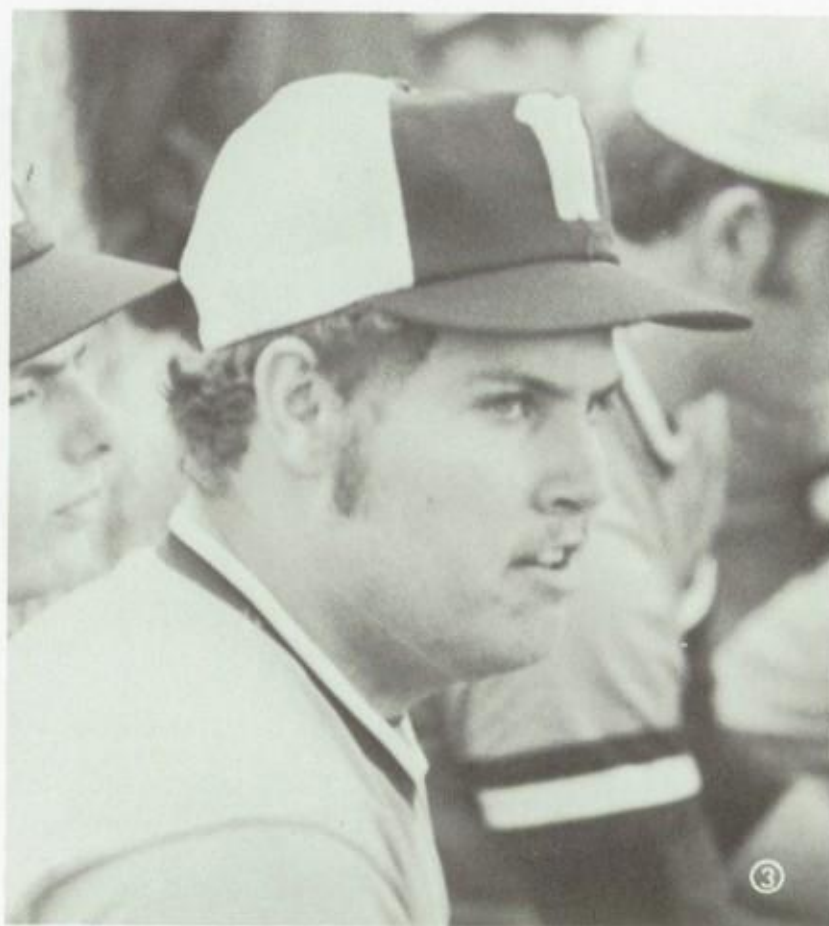

① The powerful swing of Junior outfielder Rayme Shutter is an important asset to the Chaps. ② Attempting to make a high catch is Senior outfielder Stan Hatcher. ③ Mike Ellis, Senior second baseman, makes a diving catch as he thwarts a base hit attempt.

a Good Eye,

① Gary Sanders, Senior first baseman, listens attentively to Coach John Bentley as he explains strategy for next inning. ② The good bunting form of Senior catcher David Hatcher could mean that extra base at a crucial time. ③ Walton Wright, Senior third baseman, lunges to tag runner as he dives back to third.

① Senior pitcher David Mocio shows sliding form as he hooks into third. ② Bruce Erby, Senior short stop, covers third as runner slides back in. ③ Watching as his team takes its turn at bat is Junior right fielder Wendell Giles.

and a Winning Spirit.

① Senior outfielder Kyle Still exemplifies determination as he attempts to slide into third safely. ② Mike Ellis, Senior second baseman, reaches high as he attempts to rob hitter. ③ Junior catcher Dubby Peacock tags out base runner in run down.

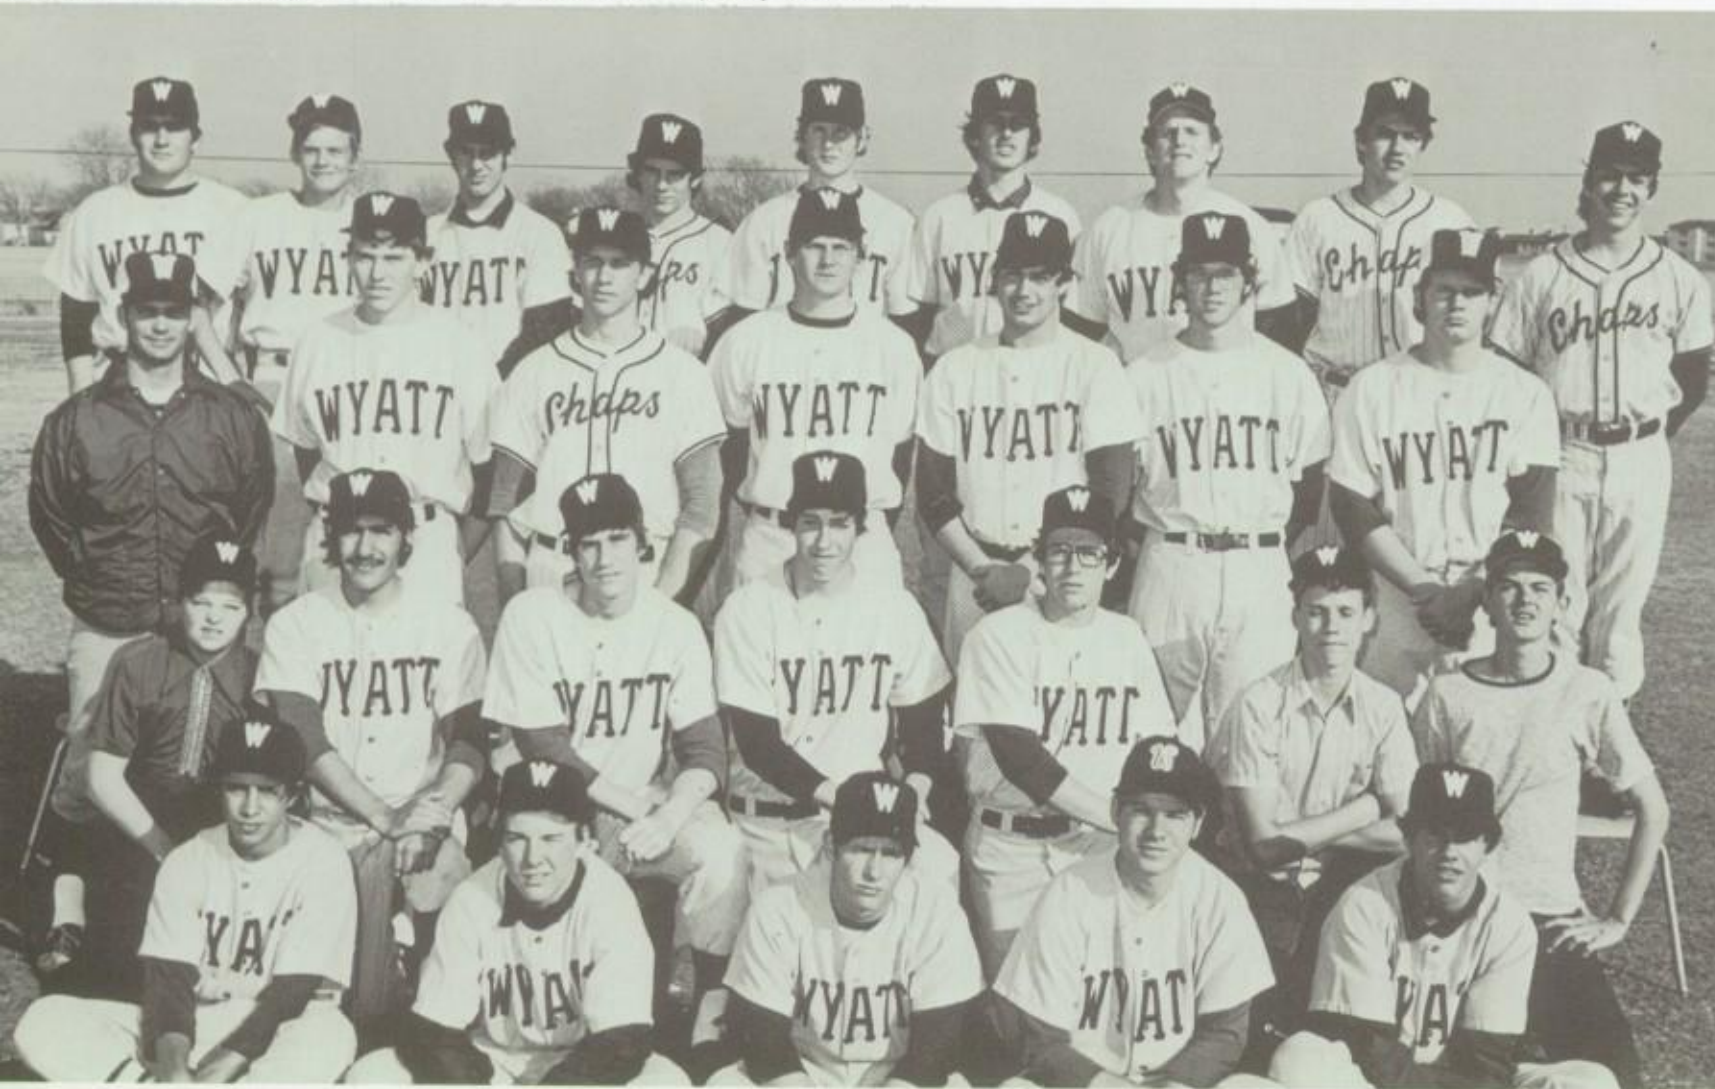

1972-73 VARSITY BASEBALL TEAM

Louis Boykin, Richard Key.

GOLF is Personal Dedication and Skill

Golf, a spring sport, is one of Wyatt's most unheralded athletic endeavors. It is a sport of great individual skill and resolution. Each man on the team must practice many long hours if he is to fulfill his part of the team effort. Wyatt's golfers were ready and willing to put forth all that was required of them. They looked forward to many winning rounds and a shot at the state title.

① Dan Bradford carefully addresses the ball. ② Lawrence Beasley shows good form as he keeps his eye on the ball and aims for the flag.

Johnson returns low, zinging serve during the afternoon work out.

TENNIS is Determination, Quickness and Stamina

In order to develop the speed and agility necessary for a winning tennis team, Wyatt's players devoted much time and effort. They improved with each practice meet until they were ready for district play.

Both the boys and girls teams were confident of a successful season due to hard work, stamina and good coaching. The girls were coached by Will Ann Brewer and the boys were coached by Gordon Hubenak. Both coaches expressed pride and confidence in their respective teams.

Students Share Ideas In English

"There is no subject more personally or individually rewarding than English. Reading, writing, and interpreting are skills useful in every area of life, in any subject matter or business. Since literature is the written record of man's thoughts throughout the ages, a student is able to share in ideas from thousands of his predecessors and, thus, have a broader foundation on which to base his own values and decisions. The contributions of English classes are many times not recognized at exam time; more importantly, they have a part in our greatest test — life."

Key to Future . . . Mathematics

"Basically mathematics is the study and application of ideas related to counting. Counting in some form is used as a reference of location in time and space or in matters of 'how much' or 'how many', and when used in comparison, might even convey a message of 'how good' or 'how well.'"

A teacher is a person that is hired to instruct a certain subject or lesson. The hours are long and the responsibility is tremendous. This year, O. D. Wyatt was privileged to have a grand assembly of qualified instructors to teach that wonderful lesson of knowledge. The gift of knowledge is what separates man from the lower forms. A good teacher can supply all the needs that man should acquire. Wyatt was lucky to have many such qualified people to make up its varied departments. Although it may not be readily seen, their thoughts and teachings affect every student in some way and the influence of their lesson is everlasting.

① Mr. Alonzo Wood conducts the painting of the cafeteria with a stern hand. ② Mrs. Nila Wilhoite debates the invention of a gourmet recipe. ③ Mr. Vernon Denman looks over a new number for Wyatt's great band. ④ "Of course you cut class, I have your card," says Mrs. Beverly Sanders.

① Coach Don Simmons takes a quick nap between his strenuous P.E. classes. ② Mrs. Kathy Corder smiles on her classes as they practice their French lesson. ③ Mr. Glenn Mandeville makes sure everyone understands the rules of the school.

Departmental Honors

The students pictured on these two pages were selected by the various departments of Wyatt as outstanding students for the 1972-73 school year. Each department was asked to set its own criteria for this selection. Some of these standards were exceptional interest and participation in class, high scholastic average and work beyond class assignments. Congratulations to each of these students from the O. D. What does it mean to be a JUNIOR?

"I really enjoy being a Junior. It seems like teachers trust you more and give you more responsibility. You have more time to discuss things and to express your own opinions."

— Cindy Beall

"To me and most others it means just one more year to go."

— Dennis Mitchell

"It's great! It's lots of fun!"

— Pam Sanders

"YOU look at the Seniors in anticipation of what's next; but, at the same time, you're anxious about the present."

— Connie Dixon

① Rita Kay Robinson displays the latest in fashion on her way to class. ② Jim Muse and David Davidson cannot wait to hear what today's lesson will be in the homemaking room. ③ Anticipating his turn to play in one of the many band productions, Will James follows his music as Clifford Millican looks on.

What does it mean to be a SOPHOMORE

"It's okay, I guess, but I would rather be a Senior. My year as a Sophomore has been pretty good."

— Kathleen Winnett

To be a sophomore is like finally feeling as if you belong. You don't feel as big as a senior but you don't feel like a freshman, you just feel as if you belong.

— Cheryl Gurley

"It's good — not as bad as being a Freshman. It's hard — I like it."

— Sherrye Redwine

① Education takes a lot of time and students like Renee Sherrill devote that time. ② John Applewhite looks hard for a missing book in his locker. ③ Don Miller and Marvin Goodspeed watch one of the many demonstrations in P.E.

What does it mean to be a FRESHMAN?

"Being a Freshman is completely different from how it has ever been before. You are more free to do what you want and you have more responsibility: it's the first steps toward growing up."

— Bobby Deeds

"I don't feel bad about being a Freshman because I know you just can't all of a sudden be grown up. It takes time and I feel that by becoming a Freshman, I've taken a giant step forward."

— Cindy Nelson

"Being a Freshman means meeting a lot of people and making friends. It's a big change from junior high. People seem to listen to you, they want to hear about what you have to say."

— Eileen Hamil

"A big challenge and chance to prove myself."

— Pam Bilardi

① Who is this sneaking a peak at the camera man? ② Art comes easy to this student even though he has a broken arm. ③ "Are you sure that's what you're eating?" says Cami Campbell to Dwayne Dugger.

A time it was . . .

And what
a time
it was . . .
it was.

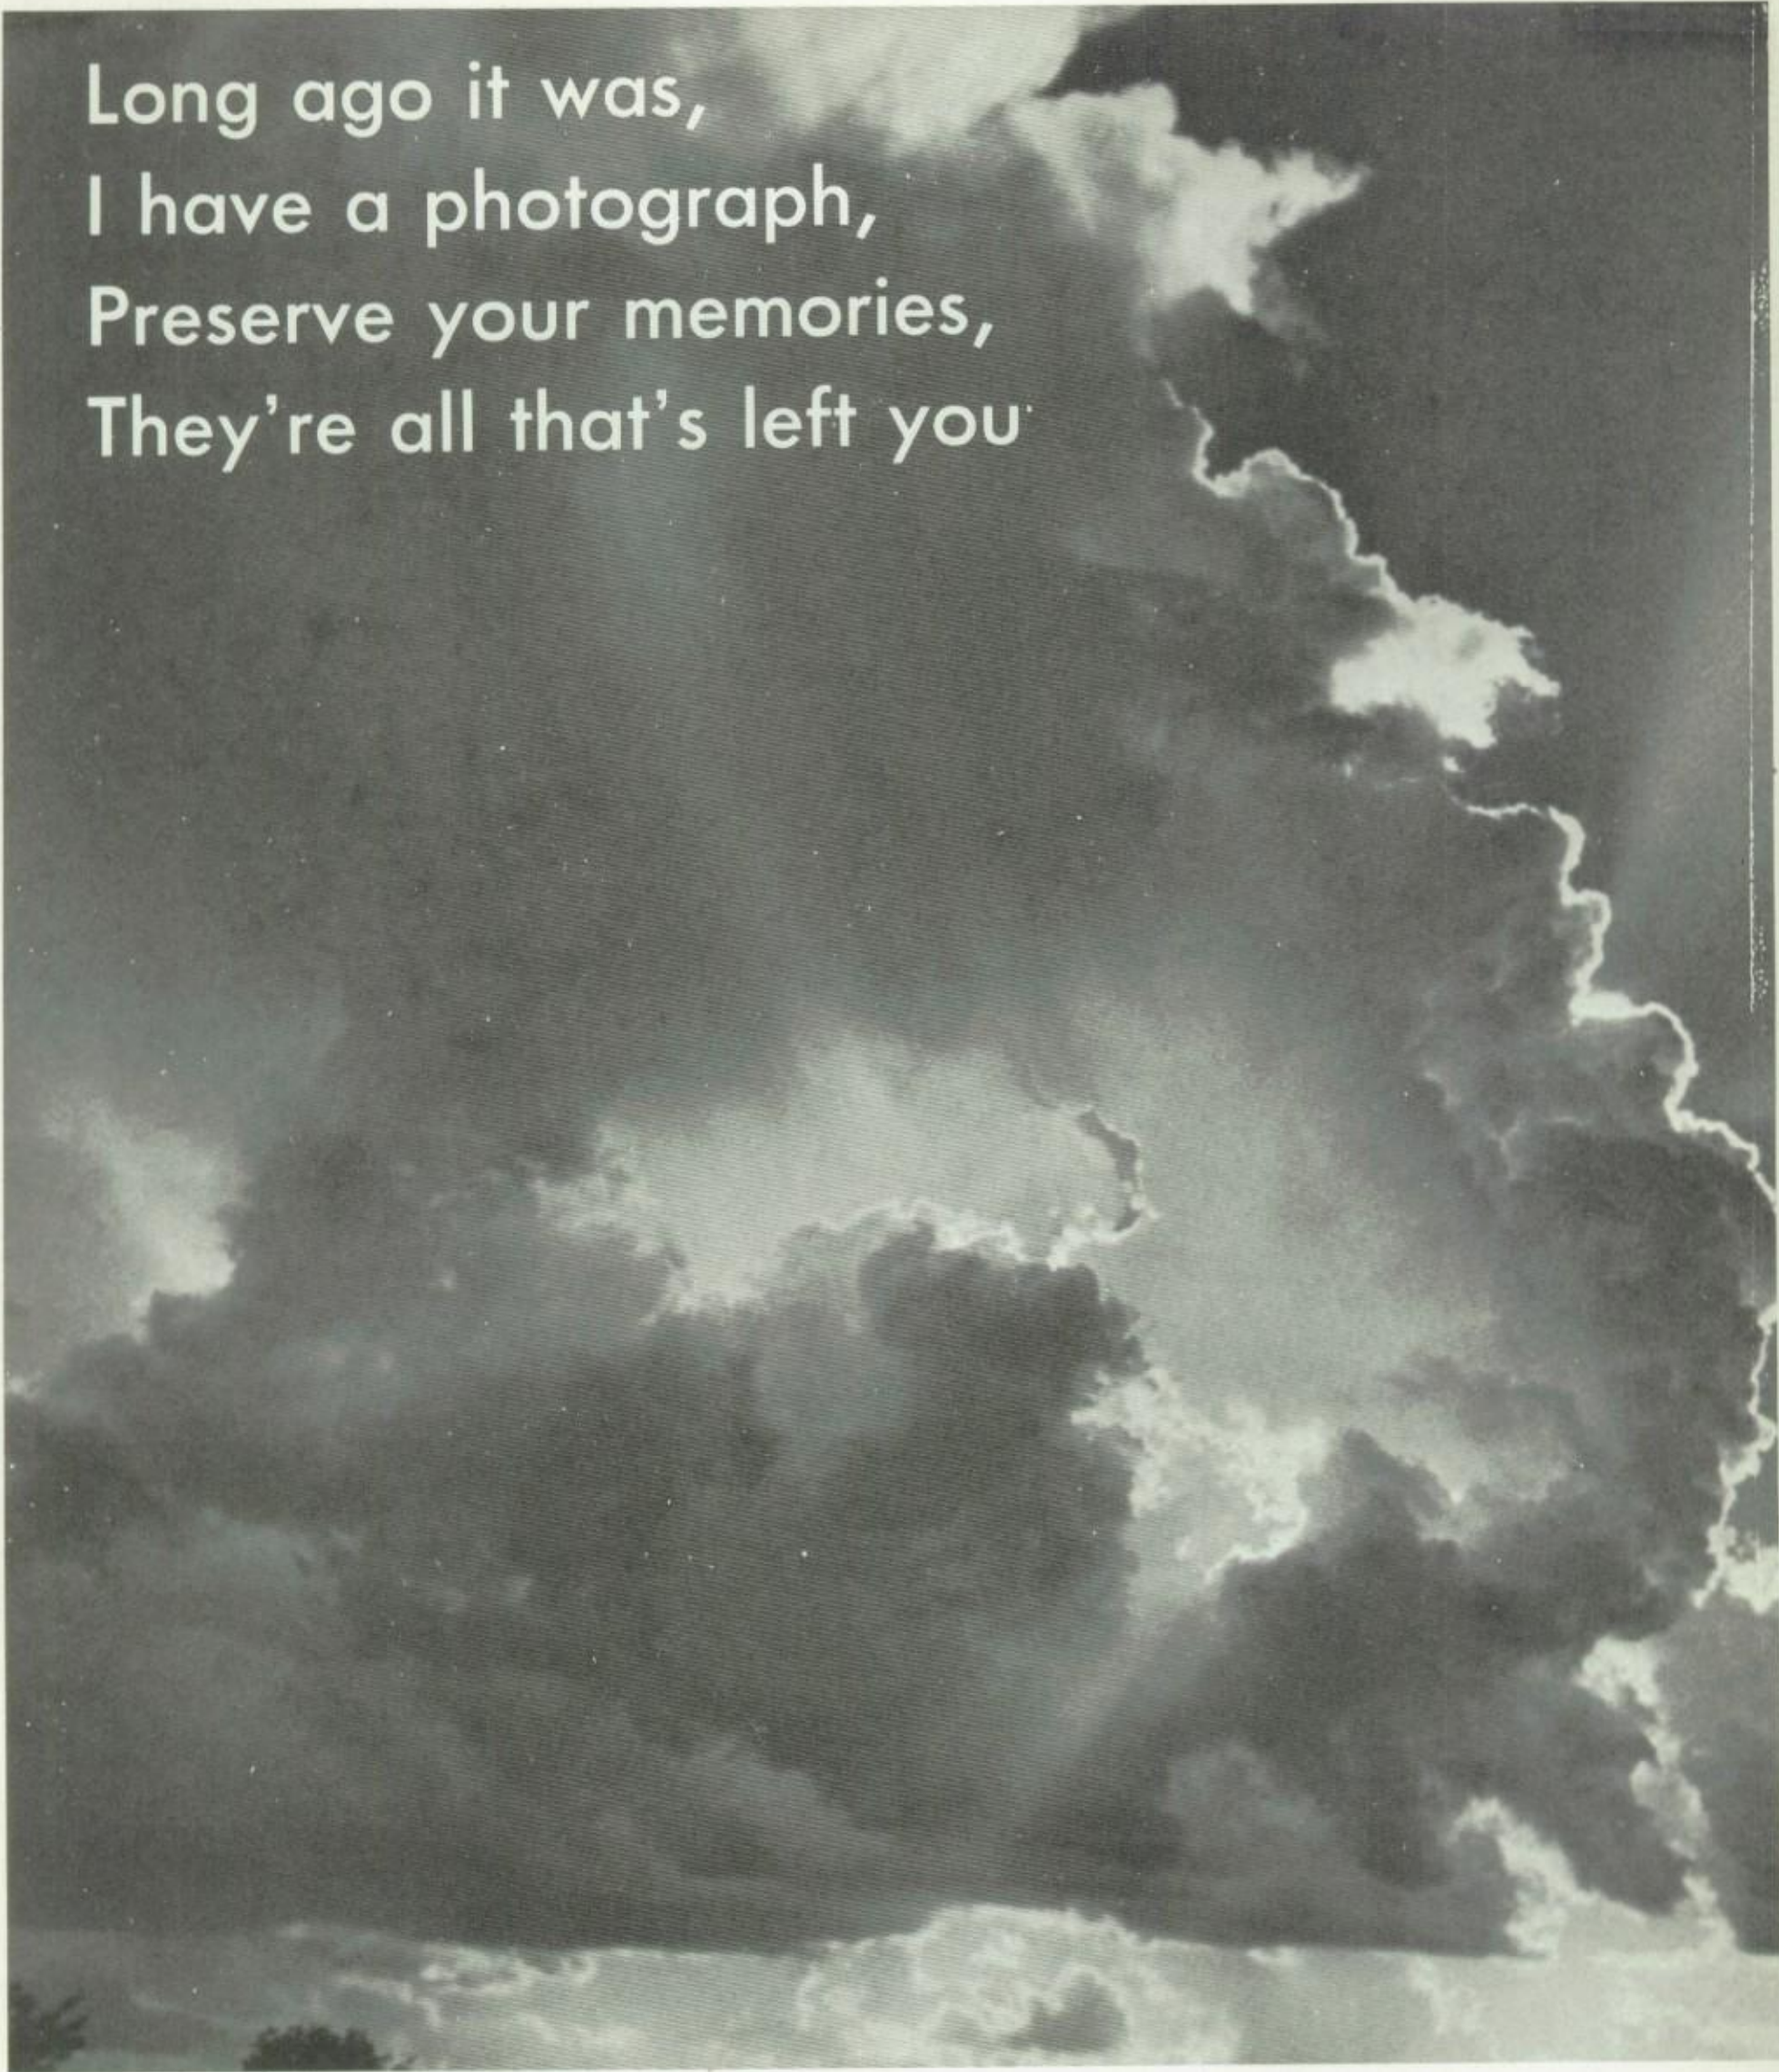

A time of innocence . . .

A time of
confidences . . .

Long ago it was,
I have a photograph,
Preserve your memories,
They're all that's left you
